A FEW WORDS FROM OUR ASHC PRESIDENT.....

Hello Hartnell Students!

Welcome to the Fall 2022 semester. I hope you had a restful summer break and are ready to begin this semester. My hope is that you will be academically successful and engaged at Hartnell College as there are many programs and services to support you in your success. Please join us in our Welcome Week activities that are provided by the Office of Student Life. I highly suggest downloading the TimelyCare app, where you can speak to a therapist around the clock from the comfort of your home or a safe space. *Get it before you need it.*

Welcome to the Panther Student Newsletter, where we provide you with the latest information from our campus, while also making sure you get the most out of your college experience at Hartnell College.

ABOUT APOLONIA.....

My name is Apolonia Preciado Castillo and I am the President of the Associated Students of Hartnell College 2022-2023 academic year. My major is Law, Public and Policy, and I am an aspiring lawyer who wants to assist and support my community. I am a part of several programs and services that have provided me with the assistance necessary to succeed in my education, such as TRIO, EOPS, WELI, Salinas Valley Promise and DSPS. My favorite thing about Hartnell College is all the connections I have made with people inside and outside of Hartnell College. I would like to thank the Director of the Office of Student Life, Augustine Nevarez, and Advisor Forrest Alvarez for their continuous support and advice.
