Books and Miscellaneous Supplies		1100.00
Uniforms		300.00
Graduation Expenses		200.00
Application for RN License		240.00
TOTAL		3867.40

Nursing Program Demands:
The rigorous coursework and time commitment of the nursing program makes it difficult for most students to work full time. If it is necessary to work, it is advisable to work less than 16 hours per week. Clinical scheduling, theory courses, and lab work cannot be changed due to an individual's outside employment. Students must have reliable transportation and, if applicable, dependable child care for day and evening clinical experiences. All students supply their own transportation and living expenses. Students are encouraged to apply for Financial Aid and/or Scholarships through Hartnell College Financial
