

**Robotics Olympics Agreement  
Between High Schools and  
Hartnell College**

I, \_\_\_\_\_, representing \_\_\_\_\_ High School  
understand that:

\_\_\_\_\_ The Parallax Boe-Bot kits that are provided for use in the Robotics Olympics  
are the property of Hartnell College.

\_\_\_\_\_ All kits should be returned to Hartnell College complete and functional at the  
competition day.

\_\_\_\_\_ I will be given an inventory sheet with the parts and their retail value on the  
training date. If any part from the kit is missing or is non-functional and is valued over  
\$10.00, I am responsible for replacing the part or compensating Hartnell College for the  
total retail value of the part.
