Course to Repeat (one course per form):

I wish to repeat this course ______________________ in which I previously earned a grade of ______ in the ________ semester/year.

According to California Code of Regulations Title 5 Section 55040, 55024, 55042, 55045 and 58161, a student may repeat a course (excluding courses identified as repeatable in the college catalog) for a maximum of three enrollments in pursuit of a passing grade. Enrollment occurs when a student receives an evaluative (D, F, NC or NP) or non-evaluative symbol (W) and may not exceed three.

☐ I have received a substandard/withdrawal grade at least two times (W, D, F, NP or NC). I request to repeat the class for my third and final attempt.

☐ I have received a satisfactory grade (A, B, C, P, or CR). However, I need to repeat this course for re-certification or re-licensing to meet legally mandated training requirements. (Attach documentation)

☐ Name of agency: ____________________________________________________________________________

☐ I have taken this course with a “C” or better within the Hartnell Community College (over 3 yrs). My College/University program requires that this course to be taken within a specific amount of time.

Documentation (unofficial transcript) and proof of requirements is attached.

ACADEMIC RECORD ADJUSTMENT: The grade and credit earned in the last enrollment shall be used exclusively in determining the grade points earned for that particular course. When course repetition occurs, the permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete record.

NURSING MAJORS: Students in Hartnell College’s Nursing Program, who are required to repeat Nursing CORE courses, must obtain a written letter of approval from the Director/Dean of Nursing Program before filing it with the Office of Admissions & Records.

By signing this, I acknowledge that courses cannot be continually repeated and that this request may be denied. I understand that my academic record will be adjusted according to the College’s Repetition Policy.
