COURSE REPETITION APPEAL REQUEST PROCEDURES

According to California Code of Regulations Title 5 Section 55040, 55024, 55042, 55045 and 58161, a student may repeat a course (excluding courses identified as repeatable in the college catalog) for a maximum of three enrollments in pursuit of a passing grade. Enrollment occurs when a student receives an evaluative (D, F, NC or NP) or non-evaluative symbol (W) and may not exceed three.

Course repetition and enrollment in excess of the maximum may be permitted in the following circumstances with the written approval of both the Hartnell College Counselor and Dean of Enrollment Services. You may be eligible for an exception if:

Extemporaneous circumstances justify a repetition in excess of the maximum enrollment of three, and you qualify based on current assessment scores, and/or you have completed required prerequisites or suggested course advisories as outlined in the college catalog.
