

SPRING 2018 PRIORITY REGISTRATION

Your registration priority group and registration date are determined by the completion of the 3 Core Services (Assessment, Orientation, and Student Education Plan), the number of units completed and in-progress at Hartnell Community College District, and maintaining good academic standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. Students now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Hartnell Community College District.
