Since opening a new baseball facility three seasons ago the Hartnell College baseball team has had an increase in student-athlete participation. We have gone from 40 student-athletes participating in our fall baseball program to almost 60 in the three seasons since the new facility has opened.

On the field, we have had two All-Americans, one student-athlete drafted into professional baseball and 17 student-athletes named to the All Coast Conference team. In the past 13 years we have had 65 players make the All Coast Conference team. Of those 65 players, 6 have been named to the All America team and 6 to the All Northern California team, with one player named Northern California Pitcher of the Year.

In the past three years alone, we have had one class Valedictorian and 20 student-athletes receive scholarships to play at various 4 year colleges and universities. Overall, in the past 13 years, we have sent 87 student-athletes on to 4 year colleges and universities. The Hartnell baseball program prides itself on sending their student-athletes off to continue their education and play baseball.

The Hartnell College baseball is looking forward to another year of accomplishments.
