<td>David stated that he would rather have the right data before recommendations. RAC will have recommendation list by January 2013. David recommended that committee take obvious list of recommended hires to RAC for approval. Theresa commented that counseling is one area in need. She stated that the crisis counseling program requires a certified counselor to run a program and Carol Kimbrough does that now. Richard suggested that departments not look at any reassigned time not tied to a department because it’s transient. David asked that committee vote for 6 (minus nursing and RCP). Committee voted for top disciplines in ranked order. Results were Math, Biology, Counseling, Spanish, Physical Education, Psychology. David will take recommendations for Math, Biology, Counseling and Spanish to RAC on 12/12/12. He commented that after we get data from Langston, there will be three more recommendations.</td>
