- RECONVENE PUBLIC SESSION / REPORT OUT FROM CLOSED SESSION** Trustee DePauw reconvened the public session at 5:44 p.m. and there was no reportable action.
- PUBLIC COMMENTS** There were no public comments.
- At the request of the Math Club students, the presentation on the 2014 Study Group to Guanajuato moved up front to accommodate the students' evening classes.

**GUANAJUATO STUDY GROUP**

Students from the Math Club presented on their recent visit to the El Centro de Investigaciones en Matematicas (CIMAT) in Guanajuato, Mexico. The students reported that they gained a good wealth of math tricks and tips dealing with generating math models. They learned to build games and toys that can be introduced into local classrooms and spark STEM interest in schoolchildren. Ideal solutions were developed to begin to tackle the problem of common core implementation in the Salinas Valley. Joining the students were local elementary and high school teachers. The students extended their appreciation to the board and the board thanked the students for sharing their experience.

**REPORTS FROM ORGANIZATIONS AND LOCATIONS**

The governing board report received an oral report from James Stephens, President of the Associated Students Hartnell College. His report focused on upcoming activities that include a welcome back BBQ and events for Black and Women's History months. He thanked Laura Zavala for maintaining the ASHC website and he reported on the book voucher program and upcoming student senate elections.

Dale Fuge, representative L-39, thanked the board and Dr. Lewallen for their support and for what they do for our community.

In addition to the oral reports, the governing received written reports from Academic Affairs, Student Affairs, and Information Technology.

The board asked questions about the training for counselors, PELL grants, financial aid, computers in the student center, clinical placements for students in the respiratory care program, and on the 3<sup>rd</sup> annual student success conference held in January.

**SUPERINTENDENT/ PRESIDENT'S REPORT**

Dr. Lewallen reported that an ID system for students is now installed at the King City Education Center; that the governing board will be seated at a new table starting with their March meeting and that training on Board Docs is scheduled for the March 18 development session. He announced the February 18 development session would focus on the accreditation progress report and financial aid. He reported enrollments look good and are on target.

**2013 STUDENT SUCCESS SCORECARD**

Dr. Brian Lofman, Dean of Institutional Planning and Effectiveness, delivered a presentation on the 2013 Student Success Scorecard for Community Colleges. He explained the framework for the scorecard resulted from the work of the Student Success Task Force (SSTF) and is built on the previously existing reporting system – the Accountability Report for the Community Colleges (ARCC). He stated the purpose is to provide clear and concise information on student progress and success metrics, toward the goal of improving performance. The board reviewed and discussed 1) Summary Comparison of Performance Indicators, 2) Hartnell College Student Success Metrics, 3) Statewide Student Success Metrics, 4) Peer Groups for Comparing Performance on the Completion/SPAR, 5) Hartnell College Student Information, and (6) Statewide Student

Information. Dr. Lofman's presentation is available: <http://www.hartnell.edu/board/packets/020414-Scorecard.pdf>. The board thanked Dr. Lofman for his thorough presentation.

**REFINANCING RESULTS FOR MEASURE H** Piper Jaffray's Senior Vice President, Ivory Li, presented uplifting results of the refinancing of the Measure H bonds from an average of 5.30% to an average of 3.32% reducing the community's tax bill by \$2,280,298 over the next 16 years. The governing board thanked Ms. Li for her presentation.

**CHILD DEVELOPMENT CENTER – ALISAL CAMPUS** Linda Taylor, Director, Hartnell College Child Development Center (CDC) and Shannon Watkins, Executive Director, Early Development Services (EDS), provided an update on the transition activities for the Child Development Center at the Alisal Campus. At their October 1, 2013 meeting, the governing board approved the Memorandum of Understanding between Hartnell CCD and Early Development Services, Inc. to provide state-funded childcare services at the Hartnell College Alisal Campus. Both directors began activities necessary to ensure licensing for EDS to begin operation on January 2, 2014. The transition is going well and Ms. Watkins thanked the college IT and maintenance staff for their amazing support.

**REDESIGN OF COLLEGE WEBSITE** Matt Coombs, Vice President, Information Technology presented a sneak preview of the redesign website that will be available in five months. The intent is to highlight college programs and services. The new site will provide the staff the tools to keep their pages current. Mr. Coombs will provide the board a link to the redesigned website for their input.

**LEGISLATION UPDATE** Esmeralda Montenegro provided an update on SB850 (Block) and SB240 (Yee), legislation affecting community colleges. In addition, she shared AB548 (Salas), AB977 (Salas), and AB1271 (Bonta), approved by the Assembly Higher Education Committee and moving onto the Assembly Appropriations Committee; however, she noted the Community College League of California (CCLC) does not have arguments for or against, or a position at this point.

**CONSENT AGENDA** Motioned (Padilla-Chavez) seconded (Donohue) and by roll-call vote of 6-0 and by advisory vote of Aye (Duran), the governing board moved to approve Consent Items A through J.  
Aye: DePauw, Donohue, Freeman, Gonzalez-Castro, Montemayor, Padilla-Chavez. Absent: Pruneda

**A. MINUTES** The governing board adopted the minutes of January 14, 2014 regular meeting as submitted.

**B. DISBURSEMENTS** The governing board ratified the disbursements from any or all of the following funds: general; debt service; bookstore; child development; capital outlay projects; scheduled maintenance; property acquisition; bond projects; cafeteria; self-insurance; retirees health benefits; associated student body; scholarship, loan, and trust; and intercollegiate athletics.

**C. CURRICULUM** The governing board approved the actions taken by the Curriculum Committee from their December 5, 2013 meeting.

- D. APPOINTMENT TO BOND OVERSIGHT The governing board appointed Vearl Gish, member-at-large, to the Citizens' Bond Oversight Committee for a second, two-year term.

- F. AGREEMENT WITH MCOE  
(Pulled for discussion only) The governing board approved an agreement between Hartnell CCD and MCOE for use of facilities to provide clinical experiences for nursing and allied health students at sites administered by the MCOE, Special Education division effective February 10, 2014. The agreement is ongoing with a six-month, written termination clause by either party. There is no budget impact.  
  
Trustee Padilla-Chavez asked about the type of support provided to MOCE students and Debra Kaczmar responded that the nursing students would be working with and observing the physical therapists at ABI School, MCOE Special Schools and Classes. Trustee Freeman noted that his niece attended ABI and that he is pleased the college is going to help these children.
- G. CAMP GRANT The governing board ratified the grant application to the United States Department of Education for the College Assistance Migrant Program (CAMP), accepted the funds, if awarded, and authorized the administration to enter into agreements to execute the work per the grant application. The proposal is to develop a CAMP program at Hartnell College to assist migrant and seasonal farmworkers and members of their immediate family to complete their first academic year of college and to continue in postsecondary education. The amount, if awarded, could be up to \$425,000 each year for five years, effective July 1, 2014.
- H. CCPT GRANT The governing board ratified the grant application to the California Department of Education for the California Career Pathways Trust (CCPT) program, accepted the funds, if awarded, and authorized the administration to enter into agreements to execute the work per the grant application. The proposal is to create 9–14 career pathway programs that provide students with a sequenced pathway of integrated academic and career-based education and training, aligned to current or emerging regional economic needs. The amount, if awarded, could be up to \$600,000 to \$6,000,000 over a four-year period beginning July 1, 2014.
- I. UCSC SUB-AWARD The governing board approved the sub-award agreement between Hartnell CCD and UCSC to accept funds as a sub-recipient of the US Department of Agriculture grant, An Institutional Partnership Model for Sustainable Agriculture Curriculum Development and Recruitment of Underrepresented Students in California. The objective of the grant is to help increase the numbers of non-traditional and underrepresented students to agricultural science baccalaureate degrees and related careers. The total amount of the sub-award is \$75,000 over three years.
- J. PERSONNEL ACTION  
(Pulled for discussion and amended) The governing board moved to approve and/or ratified personnel actions as amended: remove Item I.C.2: Ryan Frazier, \$16.52/hr (as needed, not to exceed 15 hrs/week) Library Technician, Library Services, December 19, 2013 – June 30, 2014. (Appendix A)
