PUBLIC
COMMENTS
Ken Dursa, community member, talked about the annual organizational meeting scheduled in November rather than December and he urged the Board to consider placing their email addresses on the website.

Melissa Stave, faculty, urged the Board to not move forward with filling interim dean positions to help maintain continuity and because the current interim deans are doing a fine job and are strategic players in the program planning process.

Peter Kasavan and Christian Flores, Kasavan Architects, presented the Board with a Merit Award that their firm received for the design of the Center for Advanced Technology. The award was given by the American Institute of Architects, Monterey Bay Chapter.

ACCREDITATION
At the request of Trustee Padilla-Chavez, the Board received an update on Accreditation. Dr. Suzanne Flannigan provided an overview of the process that included the fundamental purpose of accreditation, committee structure, and a breakdown of faculty participation by discipline, gender and diversity. (Appendix A). In addition, the Board received the Self-Study Timeline.

Dr. Flannigan stated that the first draft of the report is due on January 31 followed by the second draft in March. In December, the college had their first accreditation town hall and a second one is planned later this Spring.

To encourage all employees to gain a common basic understanding of accreditation, a contest has been devised. Participants, including Board Members, can complete
the online course which takes about two hours, print out the certificate of completion and drop it in a box in Dr. Flannigan’s office, prior to the drawing on May 28, 2012. The Grand Prize is an iPad 2. The course is available through the Accrediting Commission (http://bit.ly/accjcbasics).

The Board will receive an update on accreditation at each of their regular meetings. Trustee DePauw requested that the February presentation include a summary of recommendations and history from the last full comprehensive accreditation site visit.

Trustee Padilla-Chavez asked Dr. Flannigan to keep the Board informed of how the Board can help with the process.

The Board thanked Dr. Flannigan who gave kudos to Dr. Brian Lofman for his role in this process.

CONSENT AGENDA

On a motion by Trustee Gonzalez-Castro, seconded by Trustee Montemayor by vote of 7-0, and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to ratify consent items C and E.

A. MINUTES

Trustee Montemayor motioned, seconded by Trustee Freeman, to table the minutes of November 29, 2011 to allow the Board the opportunity to get a second opinion on whether or not the election of officers/date of Annual Organizational Meeting was properly followed. He asked that a legal firm, other than Liebert Cassidy Whitmore be secured.

Trustee Freeman said that this Board has always conducted its Annual Organizational Meeting in December and believes the meeting was held illegally and believed that the Board has not ever had two regular meetings in one month. Trustee Pruneda said he does not know if the meeting was held illegally, but that this personally affected him and that he has records that show the Annual Organizational Meeting has been held in December since 2003.

Dr. Helm stated that the college does have access to another law firm and stated that the minutes do reflect what happened. Trustee Montemayor responded that he is not questioning the accuracy of the minutes, but rather the procedure that was used to conduct the election and would feel better if the Board secured a second opinion.

Trustee Padilla-Chavez clarified that, when she was sworn in, she attended with her family and she left the meeting. The Board, at that time, conducted its elections without her sitting at the dais. Mr. Pruneda stated that his question is specific to whether the Annual Organizational Meeting has ever been scheduled in November and his records indicate that it has not.

Trustee Gonzalez-Castro pointed out that the Board approved the 2011 meeting calendar and she questioned Trustee’s Freeman's comments surrounding the legality of the November 29, 2011 meeting.

On a motion by Trustee Montemayor, seconded by Trustee Freeman, by vote of 7-0 and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to
adopt the minutes of November 29, 2011 as revised and directed the President to secure a second legal opinion to explore the legality of the execution of the annual organizational meeting.

Trustee Donohue noted an error in the minutes (page 5, paragraph 11, Election of Vice President). Trustee DePauw should be noted, rather than Trustee Padilla-Chavez. In addition, she stated the Board needs to adopt the minutes, for historical purposes and that the Board could request that the President secure an attorney to review what was done and hoped that Trustee Montemayor would consider amending this motion. Trustee DePauw agreed.

Dr. Helm noted that the Board approved their 2011 meeting calendar at the December 2010 meeting and that the Board has a revised policy before them this evening for second reading that addresses the Annual Organizational Meeting and variances in calendars.

Trustee Pruneda stated that he plans to go along with the decision of the Board, but if the process is proved wrong, then it would appear minutes are being approved for something that is wrong and that confuses him.

After much discussion, Trustee Montemayor amended the motion that was agreed to by Trustee Freeman.

B. DISBURSEMENTS

Prior to the motion, Trustee Freeman continued to questioned management contracts that include paying rent and utilities. He stated that he has asked for copies of these contracts, but has not received any.

After the motion, Trustee Pruneda questioned if it is common practice to pay housing expenses for management. Dr. Helm responded it common when there is an interim appointment and that individual is maintaining a second home. The college is paying the monthly housing costs for one employee, as was specified in her initial agreement. This individual is retired and receives no health benefits – an expense far more costly.

Trustee DePauw called for the question and the Board voted.

Motion by Trustee Donohue, seconded by Trustee DePauw, by vote of 6-1 (No: Freeman) and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to approve disbursements from any or all of the following funds: general; debt service; bookstore; child development; capital outlay projects; scheduled maintenance; property acquisition; bond projects; cafeteria; self-insurance; retirees health benefits; associated student body; scholarship, loan, and trust; and intercollegiate athletics.

C. CURRICULUM COMMITTEE ACTIONS

The Board ratified the recommendations from the Curriculum Committee for the period of November 3, 2011 to December 1, 2011.
D. NON-RESIDENT AND FOREIGN STUDENT TUITION FEES FOR 2012-13

Trustee Padilla-Chavez pointed out that the Agenda listed the amount as $190 and that the actual amount recommended in the Agenda Item is the Statewide Average of $179. Since the publication of the agenda, the college has learned that MPC intends to go with the Statewide Average as well. For Hartnell this is an increase of $3 per unit.

(Item pulled for discussion/separate vote - Freeman)

Trustee Freeman said he could not support this increase because it affects many athletes and our teams did really well this past fall.

On a motion by Trustee DePauw, seconded by Trustee Donohue, by vote of 5-2 (No: Freeman/Montemayor) and by an advisory vote of Nay (Student Trustee Gutierrez), the Board moved to adopt the non-resident and foreign student tuition fee of $179 per unit for academic year 2012-13.

E. AIR EXPRESSIONS GRANT

The Board ratified the grant application to the Monterey Bay Unified Air Pollution Control District, accepted the funds, and authorized the administration to enter into agreements to execute the work of the Air Expressions Grant. Hartnell students, under the leadership of faculty, will design and program an interactive mobile device application to teach the impacts of pollution from the manufacture and use of automobiles to young players. The amount of the grant is $4,817 over the Spring 2012 Semester.

F. PERSONNEL ACTION

Trustee Freeman pulled this item because he wanted to address the comments made earlier by Melissa Stave, faculty. He learned, after questioning her that Ms. Stave was referring to interim dean positions that were not included in this item so he had no comments and the Board voted.

(Item pulled for discussion/separate vote - Freeman)

On motion by Trustee Donohue, seconded by Trustee DePauw, by vote of 7-0 and by an advisory vote of Aye (Student Trustee Gutierrez), the Board ratified and or approved personnel actions. (Appendix B)

PUBLIC HEARING ON PROPOSAL: ONETIME STIPEND

Trustee Padilla-Chavez opened the public hearing to receive public comments on the proposal by Hartnell Community College District to award a one-time stipend of up to 2% of salary to its represented employees. This proposal was agendized and presented at the November 29, 2011 Board meeting.

There were no public comments.

Terri Pyer, Associate Vice President, Human Resources provided the Board with the letter that was given to represented groups as directed by the Board at their November 29th meeting. The Hartnell College Faculty Association, California Schools Employee Association, Chapter 470 (CSEA), and the International Union of Operating Engineers Stationary Local No. 39 (L-39) each agreed to treat the November 29, 2011 agendized item as the opening step of a sun shining of this matter.

Margie Wiebusch, CSEA and Dale Fuge (L-39) were present at the meeting in support of this action and reported that negotiations are scheduled. CSEA and the District are scheduled this Thursday to begin their discussions on this matter.
On a motion by Trustee Montemayor, seconded by Trustee Gonzalez-Castro, by vote of 7-0, and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to adopt the proposal on the one-time stipend of up to 2% by the Hartnell Community College District to: 1) the Hartnell College Faculty Association, 2) California Schools Employee Association, Chapter 470, and 3) International Union of Operating Engineers Stationary Local No. 39.

ACTION ITEMS

BUDGET

REVISIONS

On a motion by Trustee Donohue, seconded by Trustee Gonzalez-Castro, by vote of 7-0, and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to approve the budget revisions numbered 9532 to 9592.

CONSTRUCTION

CHANGE ORDERS

The Board received a revised listing (Appendix C). Dr. Helm explained that the amount and percentage indicated under the Owner’s Allowance is the balance remaining in the Owner’s Allowance.

On a motion by Trustee DePauw, seconded by Trustee Donohue, by vote of 7-0 and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to ratify the construction change orders in compliance with board policy.

REVISION TO

BOARD POLICY

1010

Dr. Helm recommended that the Board table the final reading of Board Policy 1010 Annual Organizational Meeting and Officers of the Board as a result of the Board’s directive to secure a second opinion on the process used at the November 29, 2011 Annual Organizational Meeting.

On a motion by Trustee Freeman, seconded by Trustee Montemayor, by vote of 6-1 (No: Padilla-Chavez), and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to table the final reading of revised BP 1010, Annual Organizational Meeting and Officers of the Board.

REVISIONS TO

BOARD POLICIES

1105 AND 1110

On a motion by Trustee Montemayor, seconded by Trustee Gonzalez-Castro, by vote of 7-0 and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to approve the change (numbering and title) for two Board Policies: BP1105, Mileage Allowance to BP2735 Board Member Travel and BP1110, Health Benefits for Members of the Governing Board to BP2730, Governing Board Member Benefits to ensure title and number consistency with the statewide numbering system as provided by Community College League of California. In addition, reference to Administrative Procedures being stored in the President’s Office was deleted, because they will be available online as will the Board Policies.

BOARD’S TRAVEL

Community College League of California (CCLC) 2012 Effective Trusteeship Workshop

The Board received an analysis of board travel expenses over the past five years (Appendix D). Trustee Padilla-Chavez requested staff to prepare this analysis because she receives requests from members to attend conferences and she wanted to engage the Board in a discussion about travel funding. Al Muñoz, Interim VP, Support Operations explained how the board travel budget is allocated each year and he noted that the balance to date is already at budget ($8,000). Typically expenses include conference attendance and mileage reimbursement for attending board meetings.
The request this evening is to approve six members (DePauw, Donohue, Gonzalez-Castro, Montemayor, Pruneda, and Padilla-Chavez) to attend the 2012 Effective Trusteeship Workshop, January 27-29, 2012, Sheraton Grand Hotel, Sacramento. The cost to attend this workshop is not to exceed $6,000 to be paid from the general fund. In addition, Trustee Padilla-Chavez said that Student Trustee Gutierrez has requested to attend. The Student Trustee has not attended this workshop in previous years because the CCLC sponsors an annual workshop for student trustees in August of each year and the Board approved Student Trustee Gutierrez to attend the annual workshop in August 2011.

The Board asked where the funding would come from to support the workshop since the Board’s travel budget, for this fiscal year, is almost depleted. Al responded that funds would need to be transferred from other accounts or reserves and that the Board would need to ratify that transfer at a future Board meeting.

There was some discussion about the Student Trustee joining the Board and how it is important for all trustees to receive development. Trustee Padilla-Chavez stated she would like the Board to have a discussion about funding for board development in the future.

On a motion by Trustee Freeman, seconded by Trustee Montemayor, by vote of 7-0, and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to approve the Board’s travel, including Student Trustee Gutierrez, to attend the 2012 Effective Trusteeship Workshop, January 27-29, 2012, Sheraton Grand Hotel, Sacramento, not to exceed $6,000 paid from the general fund.

After the meeting, Trustee Donohue offered to step down from attending the workshop. Her doing so, allows Student Trustee Gutierrez to step in her place ensuring the Board’s approval of “not to exceed $6,000” remain intact.

Trustee Gonzalez-Castro nominated Trustees Padilla-Chavez and Donohue to the California Community College Trustees Board (CCLC), but Trustee Padilla-Chavez declined as did Trustee Donohue.

Trustee Donohue nominated Trustee Gonzalez-Castro and she accepted the nomination.

On a motion by Trustee Donohue, seconded by Student Trustee Gutierrez, by vote of 6-1 (No: Freeman) and by advisory vote Aye, the Board moved to nominate Trustee Gonzalez-Castro to the Board for California Community College Trustees (CCLC). A statewide election by trustees at each CCC determines the outcome.

On a motion by Trustee Donohue, seconded by Student Trustee Gutierrez, and by vote of 7-0, and by an advisory vote of Aye (Student Trustee Gutierrez), the Board moved to approve Trustee Padilla-Chavez to send a letter on their behalf, regarding the budget, to legislators urging that they not cut student aid as proposed by the Governor.
INFORMATION ITEMS

CONSTRUCTION PROJECTS – UPDATE
The Board received an updated, written report on the current construction projects. The report is on Page 83 of the January 24, 2012 Meeting Agenda Packet housed at:

The Board asked questions about the completion and funding for the PE field house to which Joseph Reyes answered.

FINANCIAL STATEMENTS
The Board received the financial statements for the periods ending November 30, 2011.

FIRST READING BOARD POLICIES – STUDENT AFFAIRS AND ACADEMIC AFFAIRS
The Board received the first readings of updated board policies for Student Affairs and Academic Affairs.

Dr. Helm thanked Dr. Esteban Soriano, Mary Dominguez, and Dr. Suzanne Flannigan for their work on updating these policies and stated that these policies have been modified to comply with current law and regulations and are consistent with the Community College League of California. Dr. Helm invited the Board and the public to submit any questions or concerns to the President’s Office. The final reading of these policies is scheduled for the regular meeting of February 7, 2012. Further, Dr. Helm said that it is her goal to complete all policies and procedures by June 30th.

SENATE REPORTS
Student Senate: There was no formal report. Student Trustee Gutierrez stated that Senate President Estrada was unable to attend this evening due to work, but plans to send a representative to future meetings.

Academic Senate: Nancy Schur stated there is little to report since the new semester started yesterday, but that the Senate has called a special meeting next week to discuss accreditation.

Classified Senate: Eric Price announced Langston Johnson resigned as President and that the Senate is reorganizing itself due to this resignation. Currently, there are five members who are working on the Constitution and Bylaws, and once completed, the Senate will begin to recruit senators/officers.

PRESIDENT’S REPORT
Dr. Helm’s report included:

1. Board’s Calendar of Events – Dr. Helm announced the Ethics Certification trainings scheduled on February 15, 2012, 10:30-12:30 p.m. or 2:30-4:30 p.m., Hartnell College Dining Hall. Members should plan to attend one of the two sessions and were asked to notify Lucy as to which session they would be attending. Ethics Certification, every two years, is a commitment made by the college in 2007 in response to accreditation concerns. It applies to all employees as well as all members of the Board of Trustees.
2. Enrollment – Dr. Helm reported that the college’s FTES budget goal is on target and noted that it is more and more difficult to FTES goals, or what the State references as “work load” because of the multiple budget reductions and other factors, such as “square footage usage” and faculty obligation numbers, impacted by these decisions. It is more and more critical to have an efficient and effective course schedule that accommodates students’ general education and major requirements without overspending.

3. Budget – Dr. Helm reported that the number of students in Community College receiving Board of Governors (BOG) waivers has increased from 50% to 70%. That is the number of students who have their all of their fees waived has increased 20% this year. The State has now informed the CCC’s that it will be unable to pay for this additional amount (unbudgeted). The impact to Hartnell this year is approximately $300,000 to $350,000 in the 2011-12 budget. In addition, we have been told that if the Governor’s proposed Income Tax and Sales Tax increase is not passed, CCC’s can expect a 5.6% work load decrease. That means a reduction in FTES, equal to 5.6% of budget, will not be paid. If the residents of California pass an increase in income tax and pass an increase in sales tax, the reductions could be less.

4. Alisal – Dr. Helm reported that the bus turnaround at the Alisal Campus is now complete. Dr. Helm thanked the Student Senate for their work on the MST Free Fare Zone. By paying $35,000 from their student fee income, the Senators enabled students to travel round trip on MST for half fare. To do so, they simply board at one of the free fare zones and show their ID. In addition, she thanked Joseph Reyes and Mike Cunnane, for their work to install the new Peet’s Coffee Shop at the Alisal and noted that it should be open by the middle of February.

BOARD REPORTS

Student Trustee Gutierrez reported that the ESL students who attended last month’s meeting are pleased to have their courses. He stated he wished more students could participate in the presidential search committee; and he thanked the Board for allowing him to attend the Effective Trusteeship Workshop.

Trustee Montemayor reported on the Sunrise House. He reported that (40) forty families received turkey dinners at Christmas and that (30) thirty families received two toys per family. He stated the Sunrise House’s budget is in the black and that the City has provided free accounting services for many local joint powers authorities. Unfortunately, the City has cut this service to many, except for the Sunrise House.

Trustee Gonzalez-Castro extended her apologizes for not attending the CSEA Installation of Officers; she thanked Trustee Padilla-Chavez for her leadership, for the recent Board Retreat and for the way in which she facilitates the meetings – that Trustee Padilla-Chavez is making a difference. And, Trustee Gonzalez-Castro thanked everyone for her nomination. She wished all a Happy New Year.

Trustee Pruneda reported that he is involved with the California Pesticide Reform. A large concern of this group is the use of methyl iodide. He stated that this fumigant is known to harm human health – it is too toxic to be used on any level. Trustee Pruneda stated that this issue is not against farmers. He believes we have the best farmers in
any area; however, for him it is a health issue. He lives in area where this fumigant is being used and he wanted the Board to know that this fumigant is being used in the Valley.

Trustee Freeman expressed his concern over the continued budget cuts in education – he is tired of it. He believes our economy will not get better without fully funding education. He believes the upcoming march in Sacramento will be an important event and would like all Board members to attend. He believes the Board should advocate more for the budget for education. He stated that he would like to see more training programs for our community because many lost their jobs; he said he would like to see the reading/writing labs return. Lastly, he reported former athlete at Hartnell College and current player for the New Orleans Saints, Carl Nix, was selected to play in the Pro Bowl and would like to honor him along with his assistant coach, Max Matsuhara. Also, he attended the basketball game where they won and he is proud of the Men’s Soccer Team. Also, Trustee Freeman likes the idea of the college building a 100 room dorm out at the Alisal that could be used over the summer to hold summer camps to teach agriculture.

Trustee DePauw stated that she wanted to address a matter that she believes to be a grave matter. She acknowledged and thanked Trustee Freeman for his professional behavior this evening. She said that she finds it difficult to say these things this evening because his behavior was better. However, at the January 11th retreat some of these issues were addressed and she wanted it on the record because Trustee Freeman’s actions can have grave consequences for the Board and the College. For example, three or more pages of the past accreditation document that placed the college on probation referenced inappropriate Board behavior. In addition to the obvious image problems such rude, disruptive, and time-consuming behavior creates, he has been told more than once that it creates liability for the college. In fact, he has been given several oral and written warnings including multiple letters from legal counsel. We are in the process of recruiting a new president for the college and the Board needs to pull together on that effort as well as the preparation for accreditation. The Board cannot afford to repeat past behavior that helped to place the college on probation. She closed her comments by stating that the Board would be judged as a whole and that she hopes Mr. Freeman keeps that in mind and that his future behavior is more like it was tonight.

Trustee Padilla-Chavez reported that search sub-committee of the board met and the meeting was successful. She thanked Trustee Montemayor and DePauw for their participation. She welcomed everyone back and believes it will be an interesting year with change and can see the honest intention of moving the college forward.

**CLOSED SESSION**

The Board of Trustees and Dr. Phoebe K. Helm, Superintendent/President, Terri Pyer, Associate Vice President, Human Resources, moved to Closed Session at 7:35 p.m. to consider legal, personnel, labor and/or contract matters authorized for Closed Session per Government Code Sections 3549.1, 54956.9, 54957, and/or 54957.6.

1. Reject Claim #459410 as filed on December 29, 2011.

**RECONVENE PUBLIC SESSION**

Trustee Padilla-Chavez reconvened the public session at 7:50 and reported out the following:

On a motion by Trustee Donohue, seconded by Trustee Gonzalez-Castro, and by vote of 7-0, the Board moved to reject Claim #459410.
Trustee Padilla-Chavez announced the following:

1. February 7, 2012, Regular Board Meeting
2. February 15, 2012 Ethics Training
3. February 21, 2012, Board Development/Study Session
4. March 6, 2012, Regular Board Meeting

ADJOURNMENT

On a motion by Trustee Montemayor, seconded by Trustee DePauw, and unanimously carried, the Board moved to adjourn the meeting at 7:52 p.m.
