I. Service Area Name: Physical Education/Athletics and Health Education

II. Date of Review: May 6, 2014

III. Service Area Mission Statement (optional):
The Hartnell College Kinesiology, Health Education, and Athletics Department provides the opportunity for its diverse student population to improve their well-being and quality of life through participation. Our instructional service assists students to develop skills, knowledge and positive attitude towards lifelong fitness and wellness.

IV. Service Area’s key duties, responsibilities, functions, activities, and tasks:
Coaching, teaching, recruiting, curriculum development, community service, matriculation, program planning, counseling, mentoring, assessment, public relations, fund raising, and student success.

V. Service Area’s outcomes:
Graduation rates, transfer rates, scholarships, retention, healthy lifestyles, media exposure, community outreach, opportunity, new degree, student success.

VI. Greatest strengths and most significant accomplishments during the past three years:
Retention and transfer rates, athletic program success, staff (coaches, instructors, sports counselor), community involvement, facilities, field house and facilities upgrades, recruiting.

VII. Major challenges during the past three years—that is, the aspects that are most in need of improvement:
Budget cuts, course cuts, repeatability, facilities, equipment, faculty and staff positions (SID, Web, office, equipment room, full-time instructor/coaches), student funding (financial aid), increased transfer requirements for student athletes, limited course offerings for student/athletes of transfer classes, academic support for student/athletes, limited class room space, courses on other campuses, fund raising.
VIII. Brief summary of continuous quality improvement actions to be taken that will help to build upon strengths and address challenges. Fund raising, SLO’s, PLO’s, Fitness Center, course development, meet/anticipate needs of students, recognition of student/athlete achievement (academic and athletic), consistent meetings, facility improvement, increased community outreach, graduation and transfer data, academic follow up of individuals, web and SID.
