BUSINESS ADMINISTRATION—ASSOCIATE OF SCIENCE DEGREE

PROGRAM DESCRIPTION

The Business programs promote the economic development of the community; provide for lifelong learning and academic excellence through course content, application, and technology; serve diverse populations; encourage positive work ethic; and meet workforce needs through skills development, training, and personal growth.

The Business Administration program prepares students with the lower-division coursework required at most universities for advancement to upper-division coursework for a Bachelor's Degree with a major in Business Administration.

For detailed requirements for individual four-year institutions, students should contact the transfer institution and/or meet with a counselor for specific transfer course requirements in their major.

PROGRAM OUTCOMES

Upon successful completion of the Business Administration program, a student should be able to:

- define information needs, identify the scope and level of information needed, and access and communicate information effectively and efficiently using appropriate electronic tools in a business environment to make sound decisions.
- interpret, analyze, and use quantitative and logical reasoning to evaluate and solve business problems.
