PROPOSAL TO CHANGE OUTCOME FORM

<table>
<thead>
<tr>
<th>Type of Outcome (check appropriate box)</th>
<th>Course Level</th>
<th>Program Level</th>
<th>Service Area</th>
</tr>
</thead>
</table>

Is this a new outcome or a revision? (if new, only fill out the proposed outcome section)

What is the current outcome?

What is the proposed outcome?

Reason for change?

I certify that this change was discussed and approved by my discipline faculty. Do we need to have sign-off/agreement from others if this course is part of their required major courses?

Faculty Name __________________________ Faculty Signature ______________ Date ___________ Initials ___________

CurricUNET Updated Date ___________ Initials ___________ eLumen Updated Date ___________ Initials ___________

Process:
1. Faculty initiates form and has approved by discipline
2. Faculty submits form to Dean LS&R
3. Dean’s Office makes changes (eLumen and CurricUNet)
4. e-mail indicating change/s made sent to full-time faculty and area dean (area dean notifies adjunct faculty)
5. The new/modified outcome will become effective for the ______________ semester.
