Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

B. Verification of 2015 IRS Income Tax Return Information for Student Tax Filers

Important Note: The instructions below apply to the student.

Instructions: Complete this section if the student filed or will file a 2015 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2015 IRS income tax return information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed. In most cases, for electronic filers, 2015 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2015 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2015 paper IRS income tax returns, the 2015 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2015 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

Check the box that applies:

☐ The student has used the IRS DRT in FAFSA on the Web to transfer 2015 IRS income tax return information into the student’s FAFSA.

☐ The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2015 IRS income tax return information into the student’s FAFSA once the 2015 IRS income tax return has been filed.
