CALL TO ORDER: The meeting was called to order at 3:05 p.m. by Kathy Mendelsohn.

Minutes: The minutes from the 9.15.14 meeting were approved as corrected.

ACTION/DISCUSSION/INFORMATION ITEMS:

I. SSC Coordinator Position Update
Kathy indicated that the letters of intent for the special assignment positions had been received and that selection committees of the AAVP, the SAVP, the Academic Senate President, and the dean working with the committee would be reviewing the documents. She was confident that selections would be made prior to the October 20 meeting.

II. Collaboration with Gavilan
Collaboration with Gavilan has been ongoing in the STEM and other areas; in Fall of 2013, faculty and managers from the SSC began meeting with Gavilan faculty and managers. In Summer 2014, Liz Estrella attended the BSI Leadership Institute (BSILI) as part of the Gavilan
team and has continued to meet with them since. Anyone interested in joining the collaborative team is encouraged to participate.

III. Online Tutorial Services
Representatives from Eduwizards, an online tutorial service, presented their tutoring services via econferencing. (https://www.eduwizards.com/). Eduwizards demonstrated how students sign up for services with specific tutors (who have ratings and comments) at specific times. Students are charged only for their time spent using the whiteboard. One of their tutors worked with a Hartnell tutor, who presented a math problem. Those present at the meeting had opportunities to ask questions; however, the length of the presentation did not allow for discussion of the presentation, which will be scheduled for the next meeting.

Adjournment: 4:45 p.m.
