WORK STUDY POSITION ALLOCATION BY DEPARTMENT

For the 2017-2018 academic year we have approximately 60 FWS student positions available to fill. Each year in July, the FA Staff will review the College's organizational chart to ensure that all departments are considered for allocation. An e-mail notice will be sent to all Managers to determine if they want to accept/decline the FWS position/s Allocation.

Priority is given to departments/areas that help to meet the federal mandate of 7% of all positions must provide community/public service or tutoring. FWS positions will not be considered for allocation to departments/areas that are grant funded as most grants provide for staffing.
