FEDERAL WORKSTUDY OVERVIEW

The Federal Work Study (FWS) program provides funds to pay for a need based part-time employment to HCC students who will work on Hartnell College’s Main Campus, Alisal Campus, or King City Center. Students must complete a Free Application for Federal Student Aid (FAFSA) available each year (after January 1st.) Awards are based on the amount of federal funding available, and on student eligibility and enrollment status.

FEDERAL WORK STUDY EMPLOYMENT CRITERIA

Federal work study student workers at Hartnell College must meet the following criteria:

- Had filled out a 2014-2015 FAFSA application and must have a complete Financial Aid File.
- Must be awarded Federal Work Study allocation.
- Be in Good, Warning, or Probation SAP Financial Aid standing.
- Enroll in and complete a minimum of 9.0 units each fall and spring semesters.
- Maintain a minimum 2.00 semester and cumulative GPA.

LENGTH OF SERVICE

FWS students may not be employed for more than 2 years in a particular assignment.

PAY RATES

- FWS student employees are initially placed at Step A of the appropriate level.
- Hiring Managers may appeal for initial placement above Step A for exceptional qualifications by submitting written justification to the Associate Vice President of Human Resources.

Students may, at the discretion of Management, advance to the next step upon successful completion of one year of work in the same assignment.

WORK STUDY POSITION ALLOCATION BY DEPARTMENT

For the 2014-2015 year we have approximately 60 FWS student positions that are available to fill. Each July, the FA Staff will review the College’s organizational chart to ensure that all departments are considered for allocation. An e-mail notice will be sent to all Managers to determine if they want to accept/decline the FWS position/s Allocation.

Priority is given to departments/areas that help to meet the federal mandate of 7% of all positions must provide tutoring or community/public service. FWS positions will not be considered for allocation to departments/areas that are grant funded as most grants provide for staffing. The allocations are provided to help the district save money by offering FWS positions.

PROCEDURES TO HIRE A FEDERAL WORK STUDY STUDENT WORKER

1. The Manager of each department is notified by the FA Department of the number of positions available to their department in early July.

2. Once the number of positions has been allocated, the Department must complete a Student Work Study Position Announcement form which outlines the type of position that the department is wishing to hire. (Job Announcement) All position announcements for:
   - Fall 2014 semester are due by Friday, July 25, 2014; or as needed throughout the semester.
   - Spring 2015 semester are due by Friday, January 9, 2015 as needed throughout the semester.
   Position announcements are to be sent to Yvonne Carreon by email at ycarreon@hartnell.edu by the deadlines above or as needed.

3. All position announcements received will be placed on Hartnell’s website under the College’s Job Bank Department within a week of the above deadline. The website to refer students to see available jobs and to apply is: www.hartnell.edu/students/job_bank.html/

4. The website will have the following available for students:
   - Directions/information for students on how to apply for FWS jobs.
   - The Application for Student Employment on Campus.
   - Individual Position announcements to review.
   - The student will be directed to submit their Application for Student Employment to the Department advertising the position by the deadline established.
   - The FWS Student Employee Responsibilities Handout (student reads and keeps)

5. The hiring department is required to review the applications received and hold interviews. Before interviews the hiring department may e-mail Clara a list of names and student Ids to pre-check on student’s FWS eligibility. The hiring department is responsible for notifying the students if they are hired or not hired.

6. If you are interested in hiring a student(s) from your applicant pool, the supervisor must submit a Federal Work Study Employment Authorization Form which can be found on the R:\Human Resources\Employment Forms and Procedures\Students.

7. The supervisor will then forward the FWS Employment Authorization, a Job Description, and the student’s Application for Student Employment on Campus to Clara Moreno at the Financial Aid Office.

8. Clara, will ensure that the student meets all of the FWS criteria:
   - Be awarded Federal Work Study allocation.
   - Be in Good, Warning, or Probation SAP Financial Aid standing.
   - Is enrolled in a minimum of 9.0 units for the appropriate semester (fall/spring).
   - Has a minimum 2.00 semester GPA; and a minimum 2.00 cumulative GPA.

9. If APPROVED, Clara will sign the Federal Work Study Employment Authorization Form. She will return the authorization, and any other received documents for Employment to the Department Supervisor listed on the authorization form. And will email James Fitch to remove the position announcement from the website.

   Then, the Supervisor must obtain the HR Employment packet of forms (required only for new hires) from Human Resources, and ensure that the student completes all the following:
   - Student Employee Personal Information, I-9, W-4, Automatic Deposit form (optional), Physician Designation form, Standards of Employment/Service Agreement, Disposition of Warrants and Copy of Student ID or, Driver’s License or State ID...etc

   Once the student has completed all of the above forms, the student and Department hiring must walk over all forms to the Human Resources Department for their review and approval.

   **FWS STUDENTS ARE NOT ALLOWED TO BEGIN WORK UNTIL HUMAN RESOURCES HAS ALSO APPROVED THE STUDENT.**

   If the student is DENIED, Clara Moreno will immediately notify the Department Supervisor by email. Clara will notify the student if it is a financial aid matter.

10. The Department may choose another candidate, or may submit another position announcement (see #2 above).
DEPARTMENT RESPONSIBILITIES
The Department is responsible for the following:

- Each student is assigned a FWS Allocation based on their financial aid eligibility and unmet need. FWS awards are to be monitored on a monthly basis and should never exceed the amount assigned. Each supervisor will be responsible for keeping track of their student’s award funds. At least one month prior to the student balance being exhausted, the supervisor may email Clara Moreno to see if the student is eligible for additional FWS funds. If additional FWS funds are still available, the supervisor will be notified, and a copy of the FWS Employment Authorization form with the revised award will be sent to HR.

Once the student’s FWS award balance is zero, your student employee is no longer eligible to work. If you work a student with no allocation, the department’s budget will be charged the over expended amount.

- Provide individual training to each student worker. Keep in mind, this job may very well be the student’s first job. Given written as well as oral instructions so the student will have something to refer to. Duties of student workers must relate to college activities and scheduled hours should be no more than required to accomplish job tasks. Homework is not a suitable substitution for work.

- Supervision of FWS Students must be at all times.

- Remember, the focus of all student employment programs is to assist students financially as well as to provide students with meaningful training and skill-building opportunities. The duties involved should be limited to basic responsibilities. They are not to do the work of CSEA or L39 employees.

Timesheets; must be completed accurately, timesheets or records of hours worked for students must show, separately for each day worked, the hours worked, and the total hours worked during the job’s payment cycle. Also must be signed by student and certified by their supervisor or manager, in accordance with the College’s Payroll Schedule. Original timesheets must be retained for at least 3 years. At the end of the year for audit purposes, we may need you to produce the timesheet.

- If at any time a student stops working for any reason, the supervisor must notify Clara Moreno immediately by email. Please do not assume that you can rehire another student in their place. Must contact Clara Moreno before you begin the hiring process again.

RENEWING FWS STUDENT WORKERS
If a Department wishes to continue working the same FWS student (fall to spring) into the next semester, the following will need to be completed:

1. Ensure that the student is enrolled in the upcoming semester in a minimum of 9.0 units.

The Financial Aid Office will check the following:

- The student must meet the Financial Aid SAP requirements; be in Good, Warning, or Probation status after Fall 2014 grades have been reviewed to continue working.
- The student have both a minimum 2.00 GPA semester and 2.00 cumulative GPA. This means that semester grades must be reviewed for this determination to be made. A SAP calculation will be processed by the Financial Aid Department on January 9, 2015.
- The student must still have unmet financial need for the upcoming period.

No FWS student can work between December 19, 2014 to January 9, 2015. No exceptions. The Effective start day for Spring 2015 is Monday, January 12, 2015. Students cannot work until we are able to APPROVE the new Authorization form.

If the Department needs to replace a student for the Spring 2015 semester, please follow the procedures to hire a Federal Work Study Student Worker as mentioned earlier in this handbook. Also email Clara Moreno with the last date of employment for the student who held the position in Fall 2014.
