**DEFINITION OF ASSOCIATE DEGREES:**

Hartnell College students who complete the appropriate requirements may earn either an Associate of Arts or an Associate of Science degree.

**Associate of Arts (AA)** degree is granted to students majoring in the arts, humanities, and similar areas.

**Associate of Science (AS)** degree is granted to students majoring in agriculture, engineering, technology, the sciences, and related programs.

**Associate Degrees for Transfer (AA-T or AS-T)** California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses. For further information, see degree requirements in the catalog. Students completing an AA/AS-T degree do not need to complete an Ethnic Groups course.

**CATALOG RIGHTS-** Provided that continuous enrollment is maintained, students may elect the declared degree or certificate requirements in effect at 1) the time of entrance to Hartnell College, or 2) any catalog year thereafter.

Continuous enrollment is defined as attendance at Hartnell College during both Fall and Spring semesters. Any transcribed academic record symbol (A through F, CR, NC, P, NP, I, RD, W) shall constitute enrollment.

**DOUBLE DEGREE-** Although students may not receive two associate degrees simultaneously, they may concurrently complete the requirements for a second degree. An AA or AS Degree is earned by completion of all Competency Requirements, General Education, and course work required for both majors. A single diploma is issued with both degrees listed. The General Studies with Emphasis degrees may not be included as part of the Double Degree.

**ADDITIONAL ASSOCIATE DEGREE-** Having received an Associate, Baccalaureate or higher, a student may qualify for an Associate Degree in other fields (with the exception of an A.A. Degree in General Studies with Emphasis) provided a minimum of 12 units in residence are completed after the previous degree was awarded.

**Students are encouraged during their first semester of enrollment to make an appointment with a counselor to discuss their educational and career plans as they relate to this advisory sheet. (831) 755-6820**
