SI is short for?
(A multiple choice question with no wrong answer)

A. Supplemental Instruction
B. Smithsonian Institution
C.
Supplemental Instruction (SI) is like:
UNIQUE FEATURES OF SI

- Focuses on “historically difficult courses”
- Delivers services to students that begin the first week of class
- Integrates study skills with content
- Uses peer-led collaborative learning
- Proven to increase success rates and retention
“...I wish all of my science classes had SI. It's very difficult to rely on other students. They either don’t show or give an excuse why they didn’t come...”
—anonymous SI participant
