On The Calling For The Resignation of Student President Wayne Ross III

Drafted By: Executive Vice President Jorge Cruz & Vice President of Public Relations and Communications James Stephens

Non nobis, sed omnibus
"Not for us, but for everyone"
-Cicero

As of Today, Tuesday, April 16th, 2013
It is the responsibility of the Associated Students, when in the course of student governance; it may become necessary to dissolve political bands of an unrepresentative elected official.

It is here by stated that Hartnell’s Associated Students no longer recognizes Wayne Ross as Student President of the Associated Student Body. This letter is to announce that the ASHC. Associated Students of Hartnell College, no longer holds confidence in the residing president. Since being recognized as Student President, Wayne Ross, has violated the Student Code of Conduct as well as the Constitution of the Associated Students of Hartnell College.

- First and foremost, the recent disrespect to a student expressing his concern to the ASHC. Student President Ross behaved in a disrespectful manner, interrupting the student’s presentation. These actions impose on the Legislative branch’s functions; which are according to Legislative Branch Section III #5 “To hear student concerns....”
- The second violation infringes on the Code of Ethics: “To treat all members of the student body and your fellow officers with respect at all times.” A Campus Security Report has been filed against Student President Ross for the use of vulgarity, defaming a student’s character during a discussion that was described as “angry”.
- The third violation infringes on the Election Code. On November 6, 2012. Student President Ross became upset when the gentleman in charge of the Federal Polling Station, located at HCC 132 asked if the student voting information table could be moved, for it was in violation of California Federal code 18541. Student President Ross became upset and again used vulgarity, Please refer to the following Campus Security report for the week ending on November 10, 2012 and the personal testimony by Mrs. Shannon Gattis.
- The fourth violation Student President Ross has infringed on the Standards of Student Conduct.
  1. “Interference with the normal operations of the college(e.g., obstruction or disruption of teaching, research, administration, disciplinary procedures, pedestrian, or vehicular traffic, or other college activities, including its public service function or other authorized activities on college premises.)”
  2. “Disruptive behavior, willful disobedience, profanity or vulgarity or the open defiance or abuse of College personnel.”
  3. “Lewd, indecent, or obscene conduct or expression on any college owned or controlled property or at any college sponsored or supervised function.”
  4. “Failure to comply with lawful directions of college officials, faculty, staff, or campus safety officers who are acting within the scope of their duties.”
- Last but not at all final, President Ross has failed to complete his duties as president. He has not attended and participated in 50% of the activities hosted by the Senate, nor has he completed his designated role as ex-officio member of all Senate committees and councils as stated in the Constitution of the Associated Students of Hartnell College, Article IV Section IV.
It is, therefore, the decision of the Associated Students of Hartnell College to demand the resignation of the current Student President. It is the ultimate arbitration that Wayne Ross has not conducted himself in a professional manner becoming of an officer or representative of the student body of Hartnell College. If Student President Ross fails to comply with these demands, this letter shall be sent to Superintendent/President Willard Lewallen, Ph.D. and the Board of Trustees as to take actions on this matter.

It is upon agreement of the Associated Students to divide and to accept the responsibilities previously carried by Wayne Ross. The Senate will continue to function by the standards and principles of the Constitution of the Associated Students of Hartnell College, the California State Constitution, and the Constitution of these United States without a residing president. The Senate continues to reserve the right and the privilege to appoint and to elect a president if deemed, by the Associated Students, as necessary.

As of today, Tuesday, April 16, 2013; the Associated Students of Hartnell College no longer recognizes Wayne Ross as the Student President in accordance with these enumerated violations.
