

## PETTY CASH FUND GUIDELINES AND PROCEDURES

---

The District shall maintain a petty cash fund of One Thousand Dollars (\$1,000) at the Business Office (Cashiers). To safeguard petty cash fund balances, and to ensure that transactions are made in accordance with Board rules and policies, the following guidelines apply to all departments and satellite locations:

- A. Petty cash funds are to be maintained on an imprest basis. The custodian(s) should balance the fund each day to ensure that the available cash and the approved petty cash vouchers tally. Petty cash disbursements are limited to \$50.00 or less per individual, per month.
- B. The petty cash fund was established to reimburse employees who need to make inexpensive emergency purchases or whose accumulated mileage claims plus emergency purchases for a given month are \$50.00 or less.
- C. Appropriate disbursements would include approved emergency purchases, cab fares to and from meetings within the District, and for mileage reimbursements that must be accompanied by the appropriate monthly reimbursement form. Low-value, perishable instructional supplies are also reimbursable and student CatCard refunds that are \$50.00 or less.
- D. Systematic use of petty cash should be discouraged, especially for expenditures for which another reimbursement process has already been established. For example, an employee's travel expenses, or an outside contractor's charges should not be paid from the fund. A travel expense form should be submitted for travel reimbursement requests. Payments to outside contractors should be initiated by preparing a purchase order.
- E. Employees are not allowed to use the petty cash fund to cash personal checks or to receive personal credit advances.
- F. Reimbursement for food purchases is not allowed.
- G. Reimbursement for the purchase of office supplies, unless an approved emergency, will not be allowed. An emergency purchase must be approved by the department/unit manager and the VP of the area.
- H. An employee who wishes to be reimbursed for a purchase must complete all information on the petty-cash form. Petty cash forms should be written in ink to prevent alteration, and be safeguarded by the petty cash custodian.
- I. Petty cash disbursements must be accompanied by receipts or other documentation. The petty cash custodian will disburse funds only if the proper documentation and approval is provided. Before petty cash reimbursement can be made of \$50.00 or less, the following must be provided:
  - a. A Reimbursement form, which must describe the purpose of the expenditure; specify the amount and date of purchase; contain the signature of the immediate supervisor approving the reimbursement; and identify the account code to which the cost is to be posted.
  - b. Do not split up a petty cash reimbursement in order to bring amount to \$50.00 or less.

## PETTY CASH FUND GUIDELINES AND PROCEDURES

---

c. Attach receipt to the form and highlight the amount to be reimbursed. All receipts must be attached and itemized on the form. If the reimbursement is greater than \$50.00, request for reimbursement must be submitted to the Business Office to be processed by the Accounts Payable system. A check will be issued to you within two (2) weeks.

J. The petty cash fund should be replenished at least by the close of each month. Doing so minimizes the risk that irregularities will go undetected for an extended time.

K. The Business Office shall publish the place and the office hours that petty cash reimbursements will be issued.

L. Petty cash reimbursement must be issued to/received by the person who expended the cash.

---

Petty Cash reimbursements can be requested from the Business Office located in E-108,  
Monday - Friday from 8:00 a.m. until 5:00 p.m.

Petty cash reimbursement requests should be submitted no later than 10 days after the end of the month. The petty cash custodian should prepare a replenishment request and attach all receipts which support employee reimbursements. If the total dollar amount of all receipts is less than the amount of the replenishment request, only the amount listed on the receipts will be replenished. The custodian will be asked to reconcile any variations.

Petty cash replenishment checks should only be made payable to the petty cash custodian. This will prevent loss through unauthorized endorsements if checks are stolen or forged.
