These areas generally available to students and the community are defined as grassy areas, walkways, and other similar common areas. The areas are chosen so as to provide visibility and allow communication to a large number of students, administrators, faculty, and others walking or traveling on campus, but also so as not to disrupt educational and other activities of the District on behalf of students. The areas are designated public forums which are generally available to students, employees, and the community as follows:

- These areas are designated public forums. The District reserves the right to revoke that designation and apply a non-public forum designation.

Areas of the college that are non-public forums specifically include campus offices, classrooms, warehouses, maintenance yards, or locker rooms, and any other area not specified above.
- Main Campus (411 Central Avenue, Salinas) — Lawn area north of Auxiliary Gymnasium (no more than 25 feet west and 25 feet north of the southeast corner of the lawn area—i.e., a total of 625 square feet). Questions regarding the specific location can be directed to the Office of the Superintendent/President.
- King City Education Center (117 N. Second St., King City) — Sidewalk and grass area between the building and the parking lot northeast of the building. Questions regarding the specific location can be directed to the Administrative Office at the site.
- Alisal Campus (1752 E. Alisal St., Salinas) — Lawn area south of the parking lot and Building A. Questions regarding the specific location can be directed to the Administrative Office at the site.

The use of the areas reserved and open for expressive activities is subject to the following:

- Persons using and/or distributing material in the areas shall not impede the progress of passersby, nor shall they force passersby to take material.

Non-student, community groups wishing to engage in speech or expressive activities on campus, in the areas designated as public forums, must check in with the Office of the Superintendent/President or designee prior to engaging in the activities. Non-student, community groups are asked to provide at least three days advance notice prior to the activity. This does not involve an advance approval process. No illegal activities will be permitted, no activities that violate District or campus rules, including rules and laws on illegal harassment and discrimination, and none that will substantially interfere with or disrupt activities already scheduled for that day and time in the designated areas, as described below. In the event the area sought to be used for expressive activities has already been reserved for another activity so that there will be substantial interference or disruption based on noise, overcrowding, or other considerations unrelated to content, the District will offer alternative available areas or if none are available offer alternative dates. Students, outside organizations, and others are encouraged to make reservations in advance to use the areas for their expressive activities through the use of optional reservation forms.

Non-student, community groups wishing to engage in speech or expressive activities on campus, in the areas designated as public forums, must provide notification to the District through the Superintendent/President or his/her designee three (3) business days in advance of the activities. This notice shall include the person’s name and contact information, the dates and times he or she will be speaking and/or distributing written materials on campus, and the nature of the planned activities. No illegal activities will be permitted, nor activities which violate District or campus rules, including rules and laws on illegal harassment and discrimination, and none that will substantially interfere with or disrupt activities already scheduled for that day and time in the designated areas.
All persons using the areas that are designated public forums shall be allowed to distribute petitions, circulars, leaflets, newspapers, and other printed matter. Such distribution shall take place only within those areas. Material distributed in the areas that is discarded or dropped in or around the areas other than in an appropriate receptacle must be retrieved and removed or properly discarded by those persons distributing the material prior to their departure from the areas that day.
