FEDERAL WORKSTUDY OVERVIEW

The Federal Work Study (FWS) program provides funds to pay for a need based part-time employment. Awards are based on federal funding available, student eligibility, and enrollment status. Students must complete a Free Application for Federal Student Aid (FAFSA) available each year after January 1st.

Note: Student’s award notification may indicate FWS program eligibility, but the Financial Aid staff will still need to check the students’ Academic Standing (SAP) and other requirements before a federal work study job can be approved.

WORK STUDY POSITION ALLOCATION BY DEPARTMENT

For the 2016-2017 year we have approximately 60 FWS student positions available to fill. Each year in July, the FA Staff will review the College’s organizational chart to ensure that all departments are considered for allocation. An e-mail notice will be sent to all Managers to determine if they want to accept/decline the FWS position/s Allocation.

Priority is given to departments/areas that help to meet the federal mandate of 7% of all positions must provide tutoring or community/public service. FWS positions will not be considered for allocation to departments/areas that are grant funded as most grants provide for staffing. The allocations are provided to help the district save money by offering FWS positions.

2. Once the number of positions has been allocated, the Department must complete a Student Work Study Position Announcement form which outlines the type of position that the department is wishing to hire. (Job Announcement) All position announcements for:
   - Fall 2016 semester are due by Friday, July 22, 2016; or as needed throughout the semester.
   - Spring 2017 semester are due by Friday, January 13, 2017 or as needed throughout the semester.
Position announcements are to be sent to Yvonne Carreon by email at ycarreon@hartnell.edu by the deadlines above or as needed.

3. All position announcements received will be placed on Hartnell’s website under the College’s Job Bank Department within a week of the above deadline. The website to refer students to see available jobs and to apply is: www.hartnell.edu/job-bank

4. The website will have the following information available for students:
   - Directions for students on how to apply for FWS jobs.
   - The Application for Student Employment on Campus.
   - Individual Position announcements to review.
   - The student will be directed to submit their Application for Student Employment to the Department advertising the position by the deadline established.
   - The FWS Student Employee Responsibilities Handout (student reads and keeps).

5. If you are interested in hiring a student(s) from your applicant pool, the supervisor/designee must submit a Federal Work Study Employment Authorization Form which can be found on the R:\Human Resources\FORMS-EMPLOYMENT & PROCEDURES \Student Workers. Or HR web under Forms and Related Information.

6. The hiring department is required to review the applications received and hold interviews. Before interviews the hiring department may e-mail Clara a list of names and student IDs to pre-check on student’s FWS eligibility. The hiring department is responsible for notifying the students if they are hired or not hired.

7. The hiring department will then forward the FWS Employment Authorization, a Job Description, and the student’s Application for Student Employment on Campus to Clara Moreno at the Financial Aid Office.

8. Clara, will ensure that the student meets all of the FWS criteria:

If DENIED, Clara will immediately notify the Department Supervisor by email. Clara will notify the student if it is a financial aid matter.

10. The Department may choose another candidate, or may submit another position announcement (see #2 above).
DEPARTMENT RESPONSIBILITIES

The Department is responsible for the following:

- FWS awards are to be monitored on a monthly basis and should never exceed the amount assigned. Each student is assigned FWS funds based on their financial aid eligibility and unmet need. Each supervisor will be responsible for keeping track of their student’s award funds. The supervisor may email Clara Moreno to see if the student is eligible for additional FWS funds, at least one month prior to the student balance being exhausted. If additional FWS funds are still available, the supervisor will be notified, and a copy of the FWS Employment Authorization form with the revised award will be sent to HR.

Once the student’s FWS award balance is zero, your student employee is no longer eligible to work. If you work a student with no allocation, the department’s budget will be charged the over expended amount.

- Provide individual training to each student worker. Keep in mind, this job may very well be the student’s first job. Given written as well as oral instructions so the student will have something to refer to. Duties of student workers must relate to college activities and scheduled hours should be no more than required to accomplish job tasks. Homework is not a suitable substitution for work.

- Supervision of FWS Students must be at all times.

- Remember, the focus of all student employment programs is to assist students financially as well as to provide students with meaningful training and skill-building opportunities. The duties involved should be limited to basic responsibilities. They are not to do the work of CSEA or L39 employees.

Timesheets; must be completed accurately; timesheets or records of hours worked for students must show, separately for each day worked, the hours worked, and the total hours worked during the job’s payment cycle. Also must be signed by student and certified by their supervisor or manager, in accordance with the College’s Payroll Schedule. Original timesheets must be retained for at least 3 years. At the end of the year for audit purposes, we may need you to produce the timesheet.

- If at any time a student stops working for any reason, the supervisor must notify Clara Moreno immediately by email. Please do not assume that you can rehire another student in their place. Must contact Clara before you begin the hiring process again.
