STUDENT AGREEMENT NONCOMPLIANCE & FOLLOW-UP PLAN

Lack of Communication with TPP/MAESTROs Staff

- If a student does not respond to the initial inquiry after 2 weeks, the student will receive a notice via email with a warning that lack of communication will result in potential drop from the program. That email will serve as a last attempt to get in contact with you.
- If there is a pattern of no communication or follow-through with TPP/MAESTROs staff, a required follow-up meeting will be requested with either the TPP/MAESTROs Program Coordinator or Director to discuss extenuating circumstances and/or develop an improvement plan.

Academic Integrity and Cheating

- Be aware that TPP/MAESTROs academic integrity policy may differ from that of the College due to standards set forth by the Commission on Teacher Credentialing (CTC) of future teachers. If caught cheating with evidence, you will be dropped from the program. All allegations of cheating or scholarly misconduct will be investigated and can lead to potential drop from TPP/MAESTROs.
- Students will abide by [Hartnell College's Standards of Conduct](#).

Missed Mandatory Professional Development Event

- A one week notice is required in order to provide an alternative assignment or option to ensure you still receive the benefits of the mandatory workshop experience and/or professional development support we are offering. Failure to follow through with this will result in a warning, followed by temporary loss of Chromebook privileges (TPP), and eventually, loss of other program benefits. All other events hosted by the TPP/MAESTROs program will be considered HIGHLY RECOMMENDED for you to attend to ensure your academic and personal success.

Disruptive / Hostile / Intimidating Behavior

- The following consequences may be imposed by the program for a violation of the Student Conduct (Hostile and Intimidating Behavior):
 - Step 1: Verbal Warning
 - Step 2: Written Warning
 - Step 3: Permanent (or temporary) suspension from the program
- Other consequences may be imposed instead of, or in addition to, specific sanctions listed above. These may include, but are not limited to:
 - Recommendations for counseling
 - Establishment of mandatory behavior conditions/contract-signing stating agreed-upon behavior expectations for continued participation in program
 - Suspension from participation in extracurricular activities or leadership positions

Participants will aim to avoid conduct detrimental to the integrity of and public confidence in the teacher preparation programs at Hartnell College. The program views its participants as adults and expects they will act with the requisite maturity and responsibility. The overarching goal of this policy is to establish behavioral expectations with the objective of improving the overall quality of the college experience.
