- Delay travel until you are fully vaccinated.
- Check your destination's COVID-19 situation before traveling. State, local, and territorial governments may have travel restrictions in place.
- Wearing a mask over your nose and mouth is required in indoor areas of public transportation (including airplanes) and indoors in U.S. transportation hubs (including airports).
- Do not travel if you have been exposed to COVID-19, you are sick, or if you test positive for COVID-19.
- If you are not fully vaccinated and must travel, get tested both before and after your trip.

Before You Travel, Make Sure to Plan Ahead:
- Check the current COVID-19 situation at your destination.
- Make sure you understand and follow all state, local, and territorial travel restrictions, including mask wearing, proof of vaccination, testing, or quarantine requirements.
  - For up-to-date information and travel guidance, check the state or territorial and local health department's website where you are, along your route, and where you are going.
- If traveling by air, check if your airline requires any testing, vaccination, or other documents.
- Prepare to be flexible during your trip as restrictions and policies may change during your travel.

Do NOT Travel If...
- You have been exposed to COVID-19 unless you are fully vaccinated or recovered from COVID-19 in the past 90 days.
- You are sick.
- You tested positive for COVID-19 and haven't ended isolation (even if you are fully vaccinated).
- You are waiting for results of a COVID-19 test. If your test comes back positive while you are at your destination, you will need to isolate and postpone your return until it's safe for you to end isolation. Your travel companions may need to self-quarantine.

Masks Are Required

Wearing a mask over your nose and mouth is required in indoor areas of public transportation (including on planes, buses, trains, and other forms of public transportation traveling into, within, or out of the United States and while indoors at U.S. transportation hubs such as airports and stations. Travelers are not required to wear a mask in outdoor areas of a conveyance (like on open deck areas of a ferry or the uncovered top deck of a bus).

Protect Yourself and Others
- Follow all state and local health recommendations and requirements at your destination, including wearing a mask and staying 6 feet (2 meters) apart from others.
- In areas with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities with close contact with others who are not fully vaccinated like an outdoor festival or sporting event.
- Wash your hands often or use hand sanitizer (with at least 60% alcohol).

- Hartnell College employees may **not** book and/or pay for their own travel and seek reimbursement.
- Travel arrangements are to be made for the traveler by support staff within the traveler’s department using Concur. Proof of sufficient funds within the department’s travel budget should be confirmed in advance and included in the supporting documentation provided.
- When funding for travel is provided by another department or program, proof of sufficient funds must be provided to the traveler’s department for use in their supporting documentation. Travel is to be booked by the support staff within the traveler’s department, not the department funding the travel.
- When entering the GL funding the travel, use **Object Code 55200** for all travel.
- Outdated, incomplete or improperly prepared forms will be returned to the sender and delay processing.
- Complete a **Traveler Data Profile** form & submit to Julie Silveira in the Business Office to create a Concur user profile.

- Complete a **Travel Authorization Form**. Be sure to use the current year’s form which may be found on our [Travel webpage](#). (The year of the form can be verified by the date in red in the “Personal Vehicle” box under “Estimated Costs”). An outdated form will be returned and delay processing. A Travel Authorization Form must be completed for each event, even when the travel is at no cost to the college as the form acts as your request & authorization to be off-campus to attend the event. Attach the following supporting documentation:

  - Event registration cost and include an agenda or schedule,
  - Google Maps/Driving Directions for any mileage being claimed,

Driving Clearance

- Employees, faculty, and student workers must seek driving clearance to be eligible to request mileage reimbursement.

- It is the responsibility of the traveler to confirm they have clearance on file with the Business Office prior to their event and to provide the documentation required to receive clearance.
- Driving clearance for personal vehicles requires submission of:
  - A copy of your valid California driver’s license and,
  - Proof of liability insurance coverage. Some carriers may indicate “The policy meets the requirements of Section 16056” somewhere on front or back of your card. That wording meets our proof of liability insurance requirement.
- Rental Vehicles are preferred as they provide a significant cost savings to the District, however, requests to use a personal vehicle will be considered. In special circumstances such as, but not limited to, ADA requirements or traveling short roundtrip distances which do not include airport parking, mileage reimbursement for a personal vehicle may be equal to or less than car rental and receive approval. In those qualifying circumstances the employee may use the vehicle of their choice, personal or rental, subject to Mileage Reimbursement Guidelines and driving clearance. To verify if your event qualifies for use of your personal vehicle, please contact Julie Silveira or Lucy Trafton in the Business Office for assistance.
- Mileage Reimbursement: Is calculated and reimbursed at the current years IRS mileage rate and is paid in lieu of reimbursing the cost of gasoline. Do not round up or down, list exact mileage.
  - Attach a Google Map indicating the mileage from your Hartnell campus to your final destination. Mileage is calculated to and from the traveler’s HARTNELLCOLLEGE campus address, not their home address. (Some exceptions apply).
  - Reimbursement may be requested using either the mileage reimbursement form for mileage reimbursement alone or when associated with travel, included on the Travel Expense Claim Form.
