HARTNELL COLLEGE Travel Guidelines

Plan Ahead

30-45 Days Prior to Travel:

- Hartnell College employees/faculty may **not** book and/or **pay** for their own travel and seek reimbursement.
- **Please note: For ALL student travel, please refer to [Field Trips](#). These guidelines DO NOT apply to students. If HCCD vans are needed, please contact Lourdes at the Alisal campus regarding the use of HCCD of vans.**
- Travel arrangements should be made for the traveler by the support staff within the traveler's own department using Concur. Proof of sufficient funds within the budget should be included in the supporting documentation attached to the Travel Authorization. Please include the page for object code 55200 and not the entire budget.
- When funding for travel is provided by a department or program outside of the traveler's own department, proof of sufficient funds must be provided to the traveler's department to be included in the supporting documentation attached to the Travel Authorization. Travel is to be booked by the support staff within the traveler's own department, not the department funding the travel.
- When entering the GL or GL's funding the travel, always use Object Code **55200** for **all** travel.

(The year of the form can be verified by the date in **red** in the "Personal Vehicle" box under "Estimated Costs"). A [Travel Authorization Form](#) must be completed for each travel event, even when the travel is at no cost to the college as the form acts as your request & authorization to be off-campus to attend the event. Attach supporting documentation following:

 - The event registration cost and including an agenda or schedule,

EMPLOYEE/FACULTY TRAVEL GUIDELINES

Driving Clearance

Personal Vehicle

- Employees/faculty must seek driving clearance **in advance of driving** on behalf of the District as per our [Mileage Reimbursement Guidelines](#) to be eligible to request mileage reimbursement. **Please note:** Clearance sought after the fact may not be reimbursable.
- **Students and student workers are not eligible to drive for the District.**
- Driving clearance is processed by the Business Office. It must be sought in advance of driving on behalf of the District and can take up to 3 business days to receive DMV clearance.
- It is the responsibility of the traveler to confirm they have clearance on file with the Business Office prior to their event and to provide the documentation required to receive clearance.
- Driving clearance for personal vehicles requires submission of:
 - A copy of your valid **California** driver's license,
 - **Interim California Driver's Licenses are valid for 60 days only** from the date of issue and **must** be replaced by submitting a copy of the permanent driver's license within those 60 days to maintain clearance,
 - Clearance through the DMV must be submitted on an annual basis by the Business Office. And,
 - Proof of liability insurance coverage. Proof of insurance must be maintained as current and must contain any one of the following statements indicating that you carry the state of California's minimum liability insurance requirements:
 - This policy meets the applicable California financial responsibility laws, or
 - This policy complies with CVC Section 16056 or 16500.5 of the California Vehicle Code, or
 - Coverage provided by the policy meets the minimum liability limits prescribed by law.
 - To maintain your driving clearance after receiving it, proof of insurance is generally required to be resubmitted on a more frequent basis, however each policy is unique in how long or how short the period of coverage is. Each time you renew your policy, please be sure to provide your updated proof of insurance indicating your new effective dates of coverage to Julia Silveira in the Business Office. For example, if your proof of insurance on July 1, 2022 and its date of expiration is the following week on July 8, 2022, you only have driving clearance in effect through July 8, 2022, and you would need to provide updated proof of insurance to the Business Office to maintain your driving clearance *after* July 8, 2022.
- Rental Vehicles are preferred as they provide a significant cost savings to the District as opposed to mileage reimbursement, however, all requests to use a personal vehicle will be considered. In special circumstances such as, but not limited to, ADA requirements or traveling short roundtrip distances which do not include airport parking, mileage reimbursement for a personal vehicle may be equal to or less than car rental and receive approval. In those qualifying circumstances the employee may use the vehicle of their choice, personal or rental, subject to Mileage Reimbursement Guidelines and driving clearance. To verify if your event qualifies for use of your personal vehicle, please contact Julie Silveira or Lucy Trafton in the Business Office for assistance.
- **Mileage Reimbursement:** Is calculated and reimbursed at the current years IRS mileage. Do not round up or down, list exact mileage.
 - Attach a Google Map indicating the mileage from your Hartnell campus to your final destination. Mileage is calculated to and from the traveler's **HARTNELL COLLEGE** campus address, not their home address. (Some exceptions apply).
 - If traveling strictly between campuses and you are authorized to receive mileage for traveling between campuses, please refer to our [One-Way Campus to Campus Document](#). All mileage listed here does not require Google Map documentation.
 - Reimbursement may be requested using either the [mileage reimbursement form](#) for mileage reimbursement alone which is to be submitted on a monthly basis, no later than the 10th of the following the month in which the mileage was incurred, or when associated with travel, included on the Travel Expense Claim Form, provided to you or your Travel Assistant, once your Travel Authorization has been processed.

 - Monterey, CA - Monterey Regional Airport (Call Letters MRY).

Southwest Airlines (the preferred airline of HARTNELL COLLEGE), includes the cost of one bag in the ticket price. If unsure of what is or is not included in the cost of a ticket, review all links provided indicating what is/is not included in the cost of the ticket you are viewing, before selecting it for purchase.

Baggage Reimbursement: When booking a flight on an airline which charges separately for baggage, Hartnell will reimburse the cost of 1 bag for up to 4 days of travel and the cost of 2 bags for travel of 5 days or greater.

Upgraded Seating

All airfare booked within Concur assumes economy seating. Upgraded or preferred seating may not be booked within Concur. Preferred seating must be requested by and paid out of pocket by the traveler. Preferred seating reimbursement must be **requested in advance of traveling** and will be determined in the Business Office on a case by case basis. If requesting to upgrade seating be sure to provide all relevant documentation (such as a Doctor's note stating medical necessity) to assist in the determination.

Mileage Incurred When Traveling to Nearby International and Regional Airports

All travel to and from the airport should be ideally determined via cost comparisons to determine the greatest savings to the District. Roundtrip transportation provided by Monterey Airbus, Uber, or Lyft should be utilized if available and lower in cost than mileage reimbursement.

Airport Parking

Airport Parking is not a covered expense and will not be reimbursed.
