ACCJC's Recommendations focusing on Improvement

1. In order to improve institutional effectiveness, the College should expand library support services at all centers through more immediate interaction with a librarian and access to expanded library collections (II.B.1).
2. In order to improve institutional effectiveness, the College should quantify projected ongoing costs, including additional maintenance, staffing and operational costs, and identify continued funding sources when evaluating capital project proposals (III.B.4).
3. In order to improve institutional effectiveness, the College should complete the Technology Master Plan to guide future technology needs and ensure that future plans are updated prior to their expiration (III.C.2).
