1635	02/24/20	At approximately 1635, the fire alarm for the Alisal Campus was activated in the Bldg. A Unisex Restroom. After investigation, the Safety Officer on duty determined the activation was due to the use of an e-cigarette in the restroom. The fire department arrived and cleared the scene. After reviewing the security cameras, a student was identified as the cause of the activation.	Closed	02/24/20	E-055-01-20
