ESL Lab

Summer 2021

ONLINE

Do you want to --

- **increase your confidence for speaking in other classes or at work?**
- **review grammar basics without stressful exams?**
- **meet with students for conversation via Zoom?**
- **complete classwork on your own schedule?**

An ESL Lab class may be perfect for you!

ESL 290 (1 unit) and **ESL 690 (0 unit)** provide whole language instruction. The Burlington English software has been updated and is now available to use on any device anywhere, anytime!

Beginning students can repeat activities as many times as needed. Advanced students report gaining more confidence to participate in transfer-level courses.
