CatCards update

Electronic Hartnell CatCards remain unavailable. For students using Monterey-Salinas Transit (MST), the Hartnell College Library, the Follett Bookstore, or who plan to attend an athletic, theatrical, or cultural event on campus that requires student identification, please advise students to:

- Present a physical Hartnell ID card (if the student had one issued prior).
- If required, be prepared to use another form of photo ID, such as a driver's license, California ID, passport, etc.
- Mention that he/she/they is a Hartnell College student.

Bookstore HEERF vouchers

Even though the CatCard system continues to be unavailable, students can still use their vouchers in the bookstore and online (www.hartnellshop.com) to purchase any books, testing materials, and other supplies needed for late-start classes. **Important: The fall semester book voucher account will close on December 14 for online purchases and on December 17 for in-store purchases. Please help us share this information with your students.**
