Greetings, Hartnell Community!

Happy Friday!

We have several updates to share with you.

Door Access (FOB)

The door FOB system needs to be rebuilt. If you were issued a door FOB and **began employment at Hartnell after January 1, 2022**, you **must complete this form** to keep your door access. All FOBS issued after this date (Jan. 1, 2022) will automatically deactivate on Friday, November 11th as we reprogram the system.

PAWS Access

We would like to announce that all students now have access to reset passwords and DUO enrollment! Communications is working on changing the language online, flyers, and other announcements.

Great job to everyone involved!

Password Reset and DUO enrollment

Students now have access to a password reset and DUO enrollment web page. We like to call it a "one stop shop" where students have access to everything needed to complete security steps.

Link:<https://www.hartnell.edu/duo>.

Thank you,

--

CHELSEY PHAM, D.M.
