Student affairs

The first weekend of Spring 2023 priority registration went smoothly for Priority Group 1. Today's registration for Priority Group 2 has also been busy and steady.

The revised registration schedule can be found at the following link:

<https://www.hartnell.edu/students/admissions/registration/index.html>

We encourage all students, faculty, and staff to learn more about the new registration schedule and to contact Admissions and Records if there are any questions.

PDC update

Beginning tomorrow (Tuesday, November 8), the PDC will be closing temporarily. There are adjunct faculty spaces in Buildings O, S, and N.

DUO update

As a reminder, <https://hartnell.edu/duo> is where students can find links to reset their passwords and sign up for DUO.

Thank you all!
