Hartnell College scholarships are funded through generous contributions to the **Hartnell College Foundation** by community groups, businesses, foundations, and individuals who value education and want to make a difference in the lives of our students.

A variety of scholarships are offered for new, continuing and transfer students. A single general application places students in consideration for some or all of the scholarships offered through **Hartnell College**. Scholarship awards range from a minimum of \$500 to a maximum of \$5,000.

The minimum requirements for most **Hartnell Scholarships** are:

- Submit a complete scholarship application via the online application system. *(Link provided below.)*
- Maintain enrollment, at **Hartnell College**, in at least 9 units during the award year. *(Applies to new and continuing students at Hartnell College)*
- Applicants must maintain, or earn, a minimum 2.5 GPA by the end of the Fall/Spring semester. Recipients must maintain this requirement during the awarded academic year *(exceptions are sometimes made)*.
