

Accreditation Council

Length of Term for faculty

- I. Current handbook states that “current co-chairs serve until the college organizes for next self-evaluation process”
- II. Discussion at the council meeting yesterday was that it needed to be changed to a specific endpoint. Terms of 3.5 or 4 years were discussed. (Effective Fall 2020)
 - a. Would allow for “new blood”

Discussion of training for council members was discussed. Members are already required to take ACCJC online training. Should they be required/encouraged to go to the biannual ACCJC conference at least once? (Will the District pay for that? The next one is April 20-23, 2021 in Orange County.) Should members be encouraged to serve on site visit teams?
 - b. Would match our cycle – new group would be for mid-term report (due March 15, 2023. Next site visit is Spring 2026.)

Allows us to bring topic experts on board
 - c. New group this time would only be 2.5-3 year terms because of timing.

PPA

Proposed changes to planning and budgeting calendar

- I. Initiated by Dr. Hsieh
- II. Group of myself, Dr. Trengove and Dr. Lofman looked at San Diego Miramar and San Jose/Evergreen (proposed by Rick Bennett, interim VPAS)
- III. Concluded that Miramar’s better fits our existing system
- IV. Only major change would be making budget request due in early September
 - a. Positive in that would line up so new faculty could be hired in Spring not Summer
 - b. Negative in that not a lot of time between assessment (due April/May) and budget due
 - c. New concept would be that budgets would have to be “living” documents
- V. Meeting with new VPAS, VPAA and Dr. Lofman tomorrow morning on topic (2-5-20)
