1. **State Budget Overview**
  - The budget proposal for FY 2020-21 is \$134 billion

Linda Wilczewski

**Hartnell College Vision Statement:** Hartnell College students will be prepared to contribute as leaders to the intellectual, social, cultural, and economic vitality of our communities and the world.

**Hartnell College Mission Statement:** Focusing on the education and workforce development needs of communities in the Salinas Valley, Hartnell College strengthens communities by providing opportunities for students to reach career and/or academic goals (associate degrees, certificates of achievement, transfer to four-year institutions) in an environment committed to student learning, achievement and success.

- The COVID-19 has adversely impacted California's major sources of revenue funding: personal income tax; sales tax; and corporate tax, as well as property taxes
- California faces a shortfall of \$54.3B, which is a 22.3% decline in revenue from the original January budget proposal
- The community college system has taken an overall \$593M reduction coupled with payment deferrals which will place great pressure on the District to manage cash flows to ensure that we continue to meet our monthly obligations.
- The \$593M reduction in base allocation will result in an approximate \$2.8 million revenue reduction to HCCD
- This compounds our initial expectation of determining expenditure reductions of between \$2.0-\$2.5M
- Dr. Hsieh is due to present a preliminary FY20-21 budget to the HCCD Governing Board on June 2.
- The full benefit of our ongoing discussions about cost controls and revenue improvements, as well as additional information from Sacramento, will be applied to the final FY20-21 Adopted Budget, which is scheduled for Governing Board action in September.

## 2. Directive

Linda Wilczewski

The initial budget limitation recommendations are attached. Please let either Dr. Patricia Hsieh, Lisa Storm, or Linda Wilczewski know if you have any questions."
