Key Elements of Guided Pathways

- Programs that are fully mapped out and aligned with further education and career advancement while also providing structured or guided exploration for undecided students.
- Redesigning and integrating basic skills/developmental education classes to accelerate students to college-level classes.
- Proactive academic and career advising from the start through completion and/or transfer, with assigned point of contact at each stage.
- Responsive student tracking systems aligned with interventions and resources to help students stay on the pathway, persist, and progress.
- Instructional support and co-curricular activities aligned with classroom learning and career interests.
