7. Employee Resource Group Conference

Gabriela Lopez, Kayla Valentine, and Patricia Sifuentes attended the the inaugural ERG conference in Sacramento. They got to see how other colleges approach this work, and hearing from other colleges put some things on our radar that we should consider moving forward. This includes setting up ERG leaders for success and ensuring that they're prepared to lead, as well as developing a clear funding infrastructure and process. Gabby shared the Power Points from the conference with the EEO/Diversity Advisory Committee, which can be found on the Google shared drive. Gabby also shared her thoughts about the keynote speaker who presented, and that the conference served as a healing space for many participants. As of now, one application for a new ERG has been submitted (for classified professionals). A request was made to post information about creating ERGs on the HR webpage, and also to re-send the email that went out to the college community.

8. Review of accomplishments

Gayle reviewed accomplishments for the 2024-2025 academic year, and also shared a mapping of accomplishments to our equity framework.

SSEC - who is the designated dean? there's been one in the past. Maybe one of the academic deans, possibly a rotation cycle among meta-majors.

Suggestion that every council map their accomplishments to the framework.

9. Rotation of EAC membership

Stepping off:

Jennifer Taylor (she's stepping off EEO/Diversity, and that chair role serves)

Janet Flores

Cheryl O'Donnell (as PPA co-chair - replacement will be Seaneen Sullinger)

Possibly Ana Gonzalez (depending on who's appointed)

Staying:

Corina Vasaure

Shastina Sanchez

David Jones

Need to appoint:

Chair of SSEC (try to convince Carmen or Peggy)
