WORKERS**

Student employees are essential to supporting the operations and services at Hartnell College. They are the first responders, serving as ambassadors, tutors, food service and childcare providers.

Student employees maintain above-average academic performance metrics, and they are connected to the college, which contributes to building momentum and their short-term and long-term success.

Why
AP 7270?

We are proposing a sustainable, student-first framework to hire, train and graduate student workers.

We are proposing a structure to support the growth and development of our staff who supervise student workers.

We are establishing a data-driven foundation to measure how student employment supports student success.
