Where: Hartnell College, Main Campus (411 Central Avenue, Salinas) - Willard Lewallen STEM Center

The Western Food Safety Conference

What: An annual two-day conference designed for food safety industry leaders. The conference will provide produce safety information, research, and regulatory developments to the produce industry.

Join us and industry-leading scientists, executives, and professionals for the latest science-based industry information and networking opportunities.

When: Wednesday and Thursday, May 3-4, 2023

Where: Sherwood Hall, Salinas Sports Complex

Party IN the Library

What: Hartnell College Students - they are tomorrow's leaders. More than half are the first in their family to attend college and 85% of Hartnell College Students come from low-income families and daily face food and housing insecurity, transportation challenges, and the need to pay medical bills. They need your generous support to reach their full potential.

Join 400 community leaders and support Hartnell College students with an epic Party IN the Library. Enjoy a spectacular strolling dinner, lively auction, fantastic wines, and specialty drinks.

When: Saturday, May 13, 2023 from 5:00 PM to 10:00 PM

Where: Hartnell College, Main Campus (411 Central Avenue, Salinas) - Library (Building A)

HARTNELL COLLEGE FOUNDATION EVENTS 2023

Hartnell Athletics Hall of Fame

What: Annual luncheon to induct alumni athletes into the Hall of Fame and to raise funds for scholarships for student-athletes. Following the ceremony will be a tailgate before the football game against West Hills College.

When: Saturday, October 14th

Where: Hartnell College, Main Campus (411 Central Avenue, Salinas) - Student Center (Building C)

A Celebration of the Arts

What: An evening event held prior to a Western Stage performance. We will recognize arts alumni as Distinguished Alumni in the Arts and raise funds for arts programs and students.

When: Saturday, November 18th 4:30 PM - 7:00 PM

Where: Hartnell College, Main Campus (411 Central Avenue, Salinas) - TBD

STEM Symposium

What: The STEM internship program at Hartnell College supports and engages students in undergraduate academic research and/or regional research institutions, local partners, and national REU (research for undergraduates) programs. Internships are guided by experienced mentors who provide the opportunity to share their work with academic and professional communities through presentations and publications.
