• Students who reduce their enrollment, by the published deadline per the semester class schedule, will have their enrollment fees refunded.
• Fees increased by an act of the State legislature after a student has enrolled will be billed to the student.
• Fees reduced by an act of legislation will be refunded to the student.
• Non-resident students who reduce their program will have their fees refunded on a pro-rata basis according to the District’s non-resident tuition refund policy.
• In the case of a member of an active or reserve military service who receives orders compelling a withdrawal from courses, a full refund shall be made upon verification of such orders unless academic credit is awarded.
• Refunds related to students participating in Federal Title IV assistance programs will be calculated in accordance with all applicable Federal Refund Requirements.

Waiver of Fees
The District may waive enrollment fees which were not collected in a previous session where the enrollment fees were not collected as a result of the District’s error in awarding a CA Promise Grant to an ineligible student and not through the fault of the student, and to collect the enrollment fee would cause the student undue hardship.
