1	Would be good if we had a greater role in providing feedback before decisions are made, or actually making suggestions that would result in student affairs changes.	3/18/2021 3:30 PM
2	We may want to have some discussion time for topics, people, and ideas that we would like to bring to the council in the coming year. Perhaps a way to ask if certain things are appropriate, if folks are interested in specific topics, or if sub-committee research is needed.	3/18/2021 3:25 PM
3	It would be useful to hear about decisions reached at CPC and shared with the Student Affairs Council.	3/18/2021 3:24 PM
