

# INSTRUCTIONS FOR NEW CLASSIFIED EMPLOYEE PAPERWORK

Human Resources & Equal Employment Opportunity

Welcome to Hartnell College! This packet includes the forms necessary to process you as a new classified employee and therefore authorize you to begin service. You may not begin service until these forms are completed and returned to the Human Resources department. Please return all required forms in one single submission. The following should provide you with helpful information for completing your employment process.

### TASKS TO COMPLETE IMMEDIATELY UPON HIRE

### Official Transcripts:

All official transcripts must be submitted to HR immediately upon hire.

Fingerprint Requirements - Request for Live Scan Service (Form BCIA 8016):
 Hartnell contracts with the Monterey County Sheriff's Office at 1414 Natividad Road in Salinas to take and submit your fingerprints at no charge to you.

Call the Sheriff's Office at 755-3726 for an appointment (expect an approximate two week wait time). Bring your Request for Live Scan Service form with the applicant information section completed and a valid picture ID to your appointment. The Sheriff's Office will keep the original page of the form and will give you a copy. Return the copy immediately to your hiring department.

### TB Requirements - TB Skin Test Authorization (Form HR-9):

The California Education Code requires that you provide proof that you are free of active tuberculosis through an examination performed within the past 60 days. If you are joining Hartnell directly from employment with another California educational institution where you had a TB test within the past four years, you may ask your former school to transfer your TB record to Hartnell.

WorkWell Health Services in Salinas has been contracted to administer your TB Skin Test or X-ray at Hartnell's expense. If you do not reside in Salinas, and/or your work schedule does not allow you an open window of opportunity to be tested by WorkWell, you may have your TB test performed by one of the alternative Doctors locations listed on the back of your TB Skin Test Authorization. Complete the information on the TB Skin Test Authorization form and be sure to refer to the back of the form for important information. Your TB Skin Test Authorization letter from the Human Resources Office must be presented at the time of testing or you will be charged for the testing.

Submit the results of your TB Test to your hiring department within 10 days of employment. Failure to submit your test results may result in withholding your paycheck or removal from your assignment.

### COVID-19 Vaccination Requirement

Board Policy 7330 Communicable Diseases-Employees requires that all newly hired and current employees of the Hartnell Community College District be fully vaccinated against COVID-19. All new employees must be fully vaccinated by the first day of employment. An exemption may be

HRI-31 Revised 01/22

requested by individuals who cannot be vaccinated due to medical and/or religious reasons. Employees who receive an exemption will be required to wear a mask or face covering while on District property and/or facilities and will be required to undergo COVID-19 testing twice weekly. For more information about Hartnell CCD's vaccine requirement, please visit the District COVID-19 Information Website.

### FORMS FOR YOU TO COMPLETE AND RETURN

### Employment Eligibility Verification (Form I-9):

Within three (3) days of employment you must complete the I-9 form and present ORIGINAL unexpired copies of your verification documents to your hiring department for inspection and verification. On the I-9 Form, complete all of Section 1, ending with "Employee's Signature" and "Date". Choose the document(s) you will show as verification your eligibility to work in the U.S. (Review the list on the reverse side of the form—you may use either one item from list A only, or one item from list B and one from list C). Refer to Employment Eligibility Verification located on the HR website for more information. *Timesaving tip*: you already must present your social security card for W-4 payroll purposes.

### Employee's Withholding Allowance Certificate (Form W-4):

Complete all sections on the Certification section (bottom portion); Do not leave box #5 blank! (Your original social security card reflecting your current name must be presented to your hiring department to be photocopied for payroll verification of your name and Social Security Number. Bring your card with you.)

### o Automatic Deposit Authorization (Form HR-25X):

This form is optional. You are responsible for contacting your bank for the exact information and format required by your bank. Currently our payroll system only allows automatic deposit to one account at one banking institution. If you choose this option, you will still receive a pay stub delineating your earnings and deductions.

- o Retirement Questionnaire (Form HR-19):
  - Answer each yes/no question and fill in the blanks as applicable.
- CalPERS Member Reciprocal Self-Certification Form (Form PERS-CASD-801): Complete and submit to confirm membership.
- Retirement System Election Form (Form ES0372): Complete and submit, if applicable.
- Physician Designation Form (Form HR-20):

This is for work related accidents or illnesses. If you *DO NOT* designate a doctor, you *must* go to a listed <u>Medical Panel provider</u> for your first 30 days of treatment. If you DO designate a doctor, you may go to that doctor for treatment without having to wait the 30 days. **Your name, social security number, signature and completion of the Emergency Information are required regardless of whether or not a doctor is designated. More information regarding work injuries entitled "Basics of Workers' Compensation" is available on the HR website.** 

### Warrant(s) Recipient Designation (Form HR-17):

Fill in the blanks. You may also wish to amend the form so that it reads "... as the person who, after my death, *or incapacitation*, is entitled to receive..."

   Read and initial all five paragraphs. A Drug Free Workplace pamphlet has been included in your packet for your reading. Your signature must be made in the presence of your department representative or Human Resources.

Form W-4 (2022) Page **2** 

### **General Instructions**

Section references are to the Internal Revenue Code.

### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

**Your privacy.** If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

**When to use the estimator.** Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

### **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2022)

### Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, <b>skip</b> to line 3	1	\$
2	<b>Three jobs.</b> If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	<b>a</b> Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	<b>2</b> a	\$
	<b>b</b> Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	<b>Divide</b> the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in <b>Step 4(c)</b> of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter:   • \$25,900 if you're married filing jointly or qualifying widow(er) • \$19,400 if you're head of household • \$12,950 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

**PURPOSE:** This certificate, DE 4, is for **California Personal Income Tax (PIT) withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, Employee's Withholding Allowance Certificate (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form Employee's Withholding Allowance Certificate (DE 4) to determine the appropriate California Personal Income Tax (PIT) withholding.

If you do not provide your employer with a withholding certificate, the employer must use Single with Zero withholding allowance.

**CHECK YOUR WITHHOLDING:** After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

**EXEMPTION FROM WITHHOLDING:** If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

- 1. You did not owe any federal/state income tax last year, and
- 2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating EXEMPT must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

**Member Service Civil Relief Act:** Under this act, as amended by the Military Spouses Residency Relief Act, you may be exempt from California income tax on your wages if

- your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) you are present in California solely to be with your spouse; and
- (iii) you maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44) (PDF, 2.4 MB) (edd.ca.gov/pdf\_pub\_ctr/de44.pdf) provides the income tax withholding tables. This publication may be found by visiting Forms and Publications (edd.ca.gov/Payroll\_Taxes/Forms\_and\_Publications). To assist you in calculating your tax liability, please visit the Franchise Tax Board (FTB) (ftb.ca.gov).

If you need information on your last *California Resident Income Tax Return* (FTB Form 540), visit the Franchise Tax Board (FTB) (ftb.ca.gov).

**NOTIFICATION:** The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of **Title 22**, **California Code of Regulations (CCR)**, the FTB or the EDD may, by special direction in writing, require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

**PENALTY:** You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the **California Unemployment Insurance Code** and section 19176 of the **Revenue and Taxation Code**.

### **WORKSHEETS**

#### INSTRUCTIONS — 1 — ALLOWANCES\*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

**TWO-EARNERS/MULTIPLE INCOMES:** When earnings are derived from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

MARRIED BUT NOT LIVING WITH YOUR SPOUSE: You may check the "Head of Household" marital status box if you meet all of the following tests:

- (1) Your spouse will not live with you at any time during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- (3) You will file a separate return for the year.

**HEAD OF HOUSEHOLD:** To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

#### INSTRUCTIONS — 2 — (OPTIONAL) ADDITIONAL WITHHOLDING ALLOWANCES

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

### **WORKSHEET B ESTIMATED DEDUCTIONS** Use this worksheet only if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding. 1. Enter an estimate of your itemized deductions for California taxes for this tax year as listed in the schedules in the FTB Form 540 1. 2. Enter \$9,074 if married filing joint with two or more allowances, unmarried head of household, or qualifying widow(er) with dependent(s) or \$4,537 if single or married filing separately, dual income married, or married with multiple employers Subtract line 2 from line 1, enter difference Enter an estimate of your adjustments to income (alimony payments, IRA deposits) Add line 4 to line 3, enter sum Enter an estimate of your nonwage income (dividends, interest income, alimony receipts) 7. If line 5 is greater than line 6 (if less, see below [go to line 9]); Subtract line 6 from line 5, enter difference 8. Divide the amount on line 7 by \$1,000, round any fraction to the nearest whole number Add this number to Line F of Worksheet A and enter it on line 1 of the DE 4. Complete Worksheet C, if needed, otherwise stop here. 9. If line 6 is greater than line 5; Enter amount from line 6 (nonwage income) 10. Enter amount from line 5 (deductions) 11. Subtract line 10 from line 9, enter difference Complete Worksheet C

\*Wages paid to registered domestic partners will be treated the same for state income tax purposes as wages paid to spouses for California PIT withholding and PIT wages. This law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at 1-888-745-3886.

2.	Enter estimate of nonwage income (line 6 of Worksheet B).	2.	
3.	Add line 1 and line 2. Enter sum.	3.	
4.	Enter itemized deductions or standard deduction (line 1 or 2 of Worksheet B, whichever is largest).	4.	
5.	Enter adjustments to income (line 4 of Worksheet B).	5.	
6.	Add line 4 and line 5. Enter sum.	6.	
7.	Subtract line 6 from line 3. Enter difference.	7.	
8.	Figure your tax liability for the amount on line 7 by using the 2020 tax rate schedules below.	8.	
9.	Enter personal exemptions (line F of Worksheet A x \$134.20).	9.	
10.	Subtract line 9 from line 8. Enter difference.	10.	
11.	Enter any tax credits. (See FTB Form 540).	11.	
12.	Subtract line 11 from line 10. Enter difference. This is your total tax liability.	12.	
13.	Calculate the tax withheld and estimated to be withheld during 2020. Contact your employer to request the amount that will be withheld on your wages based on the marital status and number of withholding allowances you will claim for 2020. Multiply the estimated amount to be withheld by the number of pay periods left in the year. Add the total to the amount already withheld for 2020.	13.	
14.	Subtract line 13 from line 12. Enter difference. If this is less than zero, you do not need to have additional	,	
	taxes withheld.	14.	
15.	Divide line 14 by the number of pay periods remaining in the year. Enter this figure on line 2 of the DE 4.	15.	

**NOTE:** Your employer is not required to withhold the additional amount requested on line 2 of your DE 4. If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

**PURPOSE:** This certificate, DE 4, is for **California Personal Income Tax (PIT) withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, Employee's Withholding Allowance Certificate (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form Employee's Withholding Allowance Certificate (DE 4) to determine the appropriate California Personal Income Tax (PIT) withholding.

If you do not provide your employer with a withholding certificate, the employer must use Single with Zero withholding allowance.

**CHECK YOUR WITHHOLDING:** After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

**EXEMPTION FROM WITHHOLDING:** If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

- 1. You did not owe any federal/state income tax last year, and
- 2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating EXEMPT must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

**Member Service Civil Relief Act:** Under this act, as amended by the Military Spouses Residency Relief Act, you may be exempt from California income tax on your wages if

- your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) you are present in California solely to be with your spouse; and
- (iii) you maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44) (PDF, 2.4 MB) (edd.ca.gov/pdf\_pub\_ctr/de44.pdf) provides the income tax withholding tables. This publication may be found by visiting Forms and Publications (edd.ca.gov/Payroll\_Taxes/Forms\_and\_Publications). To assist you in calculating your tax liability, please visit the Franchise Tax Board (FTB) (ftb.ca.gov).

If you need information on your last *California Resident Income Tax Return* (FTB Form 540), visit the Franchise Tax Board (FTB) (ftb.ca.gov).

**NOTIFICATION:** The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of **Title 22**, **California Code of Regulations (CCR)**, the FTB or the EDD may, by special direction in writing, require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

**PENALTY:** You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the **California Unemployment Insurance Code** and section 19176 of the **Revenue and Taxation Code**.

#### INSTRUCTIONS — 1 — ALLOWANCES\*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

**TWO-EARNERS/MULTIPLE INCOMES:** When earnings are derived from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

MARRIED BUT NOT LIVING WITH YOUR SPOUSE: You may check the "Head of Household" marital status box if you meet all of the following tests:

- (1) Your spouse will not live with you at any time during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- (3) You will file a separate return for the year.

**HEAD OF HOUSEHOLD:** To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

#### INSTRUCTIONS — 2 — (OPTIONAL) ADDITIONAL WITHHOLDING ALLOWANCES

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

### **WORKSHEET B ESTIMATED DEDUCTIONS** Use this worksheet only if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding. 1. Enter an estimate of your itemized deductions for California taxes for this tax year as listed in the schedules in the FTB Form 540 1. 2. Enter \$9,074 if married filing joint with two or more allowances, unmarried head of household, or qualifying widow(er) with dependent(s) or \$4,537 if single or married filing separately, dual income married, or married with multiple employers Subtract line 2 from line 1, enter difference Enter an estimate of your adjustments to income (alimony payments, IRA deposits) Add line 4 to line 3, enter sum Enter an estimate of your nonwage income (dividends, interest income, alimony receipts) 7. If line 5 is greater than line 6 (if less, see below [go to line 9]); Subtract line 6 from line 5, enter difference 8. Divide the amount on line 7 by \$1,000, round any fraction to the nearest whole number Add this number to Line F of Worksheet A and enter it on line 1 of the DE 4. Complete Worksheet C, if needed, otherwise stop here. 9. If line 6 is greater than line 5; Enter amount from line 6 (nonwage income) 10. Enter amount from line 5 (deductions) 11. Subtract line 10 from line 9, enter difference Complete Worksheet C

\*Wages paid to registered domestic partners will be treated the same for state income tax purposes as wages paid to spouses for California PIT withholding and PIT wages. This law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at 1-888-745-3886.

Contact your employer to request the amount that will be withheld on your wages based on the marital status and number of withholding allowances you will claim for 2020. Multiply the estimated amount to be withheld by the number of pay periods left in the year. Add the total to the amount already withheld for 2020.	13.	
14.	Subtract line 13 from line 12. Enter difference. If this is less than zero, you do not need to have additional	,	
	taxes withheld.	14.

**NOTE:** Your employer is not required to withhold the additional amount requested on line 2 of your DE 4. # workers' compensation: Pre-Designation of Personal Physician

If you have health insurance and are injured on the job, you have the right to be treated immediately by your personal physician (M.D., D.O), or medical group, if you notify your employer, in writing, prior to the injury.

Per Labor Code 4600, to qualify as your pre-designated, personal physician, the physician must agree <u>in writing</u> to treat you for a work related injury, must have previously directed your medical care, and must retain your medical history and records. The physician must be a family practitioner, general practitioner, board certified or board eligible internist, obstetrician-gynecologist, or pediatrician. Your "personal physician" may be a medical group if it is a single corporation or partnership composed of licensed doctors of medicine or osteopathy which operates an integrated multi-specialty medical group providing comprehensive medical services predominantly for non-occupational illnesses and injuries.

This is an optional form that can be used to notify your employer of your personal physician. You may choose to use another form, as long as you notify your employer in writing prior to being injured on the job, and provide written verification that your personal physician meets the above requirements and agrees to be pre-designated.

If you do not provide advance written notification, verification, and agreement of your pre-designated personal physician, you will be treated by one of the District's designated workers' compensation medical providers.

Art. 1 Section 1, Government Code Section 3543.1(b), Federal Rules of

Civil Procedure, Rules 16, 26, 33, 34, 37, 45

In support of the College's mission of teaching, research, and public service, Hartnell provides computing, networking, and information resources to the campus community of students, faculty, and staff.

### **Rights and Responsibilities**

Computers and networks can provide access to resources on and off campus, as well as the ability to communicate with other users worldwide. Such open access is a privilege, and requires that individual users act responsibly. Users must respect the rights of other users, respect the integrity of the systems and related physical resources, and observe all relevant laws, regulations, and contractual obligations.

Students, employees may have rights of access to information about themselves contained in computer files, as specified in federal and state laws. Files may be subject to search under court order. In addition, system administrators may access user files as required to protect the integrity of computer systems. For example, following organizational guidelines, system administrators may access or examine files or accounts that are suspected of unauthorized use or misuse, or that have been corrupted or damaged.

### **Existing Legal Context**

All existing laws (federal and state) and District regulations and policies apply, including not only those laws and regulations that are specific to computers and networks, but also those that may apply generally to personal conduct. Misuse of computing, networking, or information resources may result in the restriction of computing privileges. Additionally, misuse can be prosecuted under applicable statutes. Users may be held accountable for their conduct under any applicable District or campus policies, procedures, or collective bargaining agreements. Complaints alleging misuse of campus computing and network resources will be directed to those responsible for taking appropriate disciplinary action. Reproduction or distribution of copyrighted works, including, but not limited to, images, text, or software, without permission of the owner is an infringement of U.S. Copyright Law and is subject to civil damages and criminal penalties including fines and imprisonment.

### **Examples of Misuse**

Examples of misuse include, but are not limited to, the activities in the following list.

- a) Violation of Law. Any use of Hartnell's technology resources which is in violation of federal, state or local law, or which is in aid to or furtherance of the violation of federal, state or local law, is prohibited. - m) Commercial Activities. Hartnell's technology resources exist for educational purposes and may not be used for any commercial activities for personal financial gain, whether on behalf of individuals or for-profit entities, unless expressly authorized by Hartnell in writing.
- n) Obscene Material. Accessing, uploading, downloading, transmitting, producing, storing or viewing of any obscene material is prohibited. ### **Additional Use Policies**

The Computer Use Policy applies to use of all Hartnell Campus computing resources. Additional computer and network use policies and terms and conditions may be in place for specific electronic services offered by the campus. The Computer Use Policy applies to the use of Hartnell computers and networks for electronic communications. Users must familiarize yourselves with any of these when you agree to use these services.

### **Authorized Use by Minors**

Hartnell students under the age of eighteen, by accepting the benefits of authorized use of the District's technology resources, acknowledge that material inappropriate for minors is accessible on the Internet; that various wrongdoing, such as identity theft, invasion of privacy and fraud, may occur on the Internet, and that their use of the Internet may therefore expose them to a variety of risks of harm to person or property. By using Hartnell's technology resources, minors and their parents accept responsibility for any and all risks thereof and acknowledge that Hartnell shall not be responsible for any harm or damage resulting from such use.

### Web Pages

Hartnell College has established and presently maintains a web site which includes information regarding Hartnell's mission and purpose, courses, faculty and staff, students, and such other information and resources as the Hartnell administration determines is appropriate for inclusion (this includes a public listing of employee directory/contact information). The use of Hartnell technology resources for the creation of individual web pages, whether for official or personal purposes, shall be subject to the following requirements:

a) Establishing Official Web Pages. The Hartnell administration may authorize a process for the creation and maintenance of official web pages by Hartnell faculty, staff, departments of the College, or student organizations. Official web pages must be approved by the designated Hartnell administrator and the content must be consistent with the general style and content of the Official Hartnell web site. The addition or modification of material to official web pages must also be approved by the designated Hartnell administrator prior to the posting of such content. Material appropriate for placement on official web pages includes administrative and academic information for specific departments or student organizations, faculty, staff or class information, or relevant reference information. Official pages must be served from officially

- designated server platforms that the IT personnel has authorization and access to for maintenance or content management.
- b) Establishing Personal Web Pages. The Hartnell administration may authorize the creation and maintenance of personal web pages by students, faculty or staff. Personal web pages must be for educational purposes, including research, discussion, academic development, public service and other educational uses consistent with the mission of Hartnell, and must otherwise comply with the requirements of this technology use policy. The creation of personal web pages must be authorized by the appropriate administrator and proposed content may be reviewed for compliance with this policy. In addition to the requirement that the content of personal web pages comply with this policy, any sites to which the personal web page links must be consistent with this policy.
- c) Personal Web Page Disclaimer. Personal web pages must include the following notice: "This is a personal web page. Any opinions expressed on this page are not those of Hartnell College, nor does Hartnell guarantee the accuracy or appropriateness of any information contained on this page, nor any information linked to by this page."

### **Email Correspondence**

Email correspondence between employees of the Hartnell CCD, between employees and students, and between employees and external entities (e.g., vendors, community members) directly related to performing job duties and conducting the business of the District must take place using the official @hartnell.edu email address. Communications between enrolled students and employees must utilize the @student.hartnell.edu email address. Hartnell College students should be directed to check @student.hartnell.edu email often for communication from the college and its employees. There are exceptions to this procedure such as when employees are contacted by past students who no longer use or prospective students who have not yet received their @student.hartnell.edu email address. There can also be occasional situations when communicating with the official Hartnell email address is not possible due to computer network outages or other circumstances.

Internet and E-mail access is a privilege, not a right, and activities that may be acceptable on your private account at home may not be acceptable when using your District-authorized service.

As a public institution, the Hartnell CCD is subject to the California Public Records Act (Government Code § 6250 et seq.). The PRA requires that all communications related to public business "regardless of physical form or characteristics, including any writing, picture, sound, or symbol, whether paper, magnetic or other media" be made available to the public. This means that any member of the public can request copies of email communications that have been produced by any employee or student of the District. There are exemptions for disclosure of public records and they generally include personnel records, investigative records, drafts, and material made confidential by other

state or federal statutes. Setting aside these few exemptions, the vast majority of email communications are available through a PRA request. Therefore, email communications among and between employees and/or students are not confidential or private. Placing a "confidential statement" at the end of an email does not control whether a communication is exempt from the PRA. Email communications related to HCCD business can be distributed and/or forwarded without permission of the sender.

When system problems occur, such as hardware or software failure or attacks by malicious users, the IT staff, who maintain the e-mail servers, are authorized to look at any information and any files on District computers that are necessary to solve the problems and to protect the systems and the information they contain. It is part of the system administrator's job to do this and to treat any information on the systems as confidential.

In addition to the authorized actions of the District's system administrator, e-mail can end up in the hands of computing staff if it was inaccurately addressed and if it could not be delivered.

Personal Use of Computer and Network Resources

Brief and occasional personal use of District computer and network resources is acceptable as long as it is not excessive or inappropriate, occurs during personal time (lunch or other breaks), and does not result in expense or harm to the District or otherwise violates District policy or procedure.

### **Appropriate Use**

Hartnell extends to students, faculty, and staff the privilege to use its computers and network. When you are provided access to our campus network, you are enabled to send and receive electronic mail messages around the world, share in the exchange of ideas through electronic news groups, and use Web browsers and other Internet tools to search and find needed information.

The Internet is a very large set of connected computers, whose users make up a worldwide community. In addition to formal policies, regulations, and laws that govern your use of computers and networks, the Internet user community observes informal standards of conduct. These standards are based on common understandings of appropriate, considerate behavior that evolved in the early days of the Internet, when the internet was used mainly by an academic and highly technical community. The Internet now has a much wider variety of users, but the early codes of conduct persist, crossing boundaries of geography and government, in order to make using the Internet a positive, productive, experience. You are expected to comply with these informal standards and be a "good citizen" of the Internet.

### **Enforcement**

Penalties may be imposed under one or more of the following: California Education Code regulations, Hartnell regulations, California law, or the laws of the United States. Minor infractions of this policy or those that appear accidental in nature are typically handled informally by electronic mail or in-person discussions. More serious infractions are handled via formal procedures. In some situations, it may be necessary to suspend account privileges to prevent ongoing misuse while the situation is under investigation. Infractions by students may result in the temporary or permanent restriction of access privileges, notification of a student's academic advisor and/or referral of the situation to the Office of Student Affairs. Those by a faculty or staff member may result in referral to the department head or administrative officer. Offenses that are in violation of local, state, or federal laws may result in the restriction of computing privileges, and will be reported to the appropriate District and law enforcement authorities.

### **Reporting Misuse**

A user who asserts that the District or District personnel have violated this policy shall file a complaint with his or her immediate supervisor with a copy to Human Resources and a copy to the employee's bargaining unit in the event the alleged violator is an employee or Student Affairs in the event the violator is a student. The administration will contact the alleged violator to discuss the complaint. The supervisor/administrator of the complainant shall initiate an investigation if necessary and determine an appropriate remedy/resolution in consultation with the appropriate Vice President. In cases where the supervisor/administrator is part of the complaint, the complaint shall be filed with the next level of supervision for investigation and resolution and/or remedy. The complainant shall be informed in writing 1) of the initiation of the investigation, and 2) of its outcome as appropriate, with copies to the appropriate Vice President and the employee's case the correct bargaining unit. Complainants dissatisfied with the resolution/remedy have full recourse to relevant contractual protections and/or legal action

### **Dissemination and User Acknowledgment**

All users shall be provided copies of these procedures and be directed to familiarize themselves with them.

Students shall acknowledge acceptance of BP/AP 3720 electronically when accessing District computer and network resources. Employees shall acknowledge acceptance of BP/AP 3720 during the employment process.

### Disclosure

No Expectation of Privacy

The District reserves the right to monitor all use of the District network systems and computers to assure compliance with these policies. Users should be aware that they have no expectation of privacy in the use of the District network and computer

resources. The District will exercise this right only for legitimate District purposes including, but not limited to, ensuring compliance with this procedure and the integrity and security of the system.

### Possibility of Disclosure

Users must be aware of the possibility of unintended disclosure of communications.

### Retrieval

It is possible for information entered on or transmitted via computer and communications systems to be retrieved, even if a user has deleted such information.

### Public Records

The California Public Records Act (Government Code Sections 6250 et seq.) includes computer transmissions in the definition of "public record" and nonexempt communications made on the District network and computer must be disclosed if requested by a member of the public.

### Litigation

Computer transmissions and electronically stored information may be discoverable in litigation.

See Board Policy 3720

Approved by the Superintendent/President: April 2, 2014

### Computer and Network Use Agreement

I have received and read a copy of the Hartnell Community College District Administrative Procedure 3720, Computer and Network Use, adopted by the Board of Trustees, and recognize and understand the guidelines.

I agree to abide by the standards set in the procedure for the duration of my employment and/or enrollment.

I am aware that violations of this Computer and Network Use Procedure may subject me to disciplinary action including, but not limited to, revocation of my network account up to and including prosecution for violation of State and/or Federal law.

# An Easy Way to Pay for Expenses

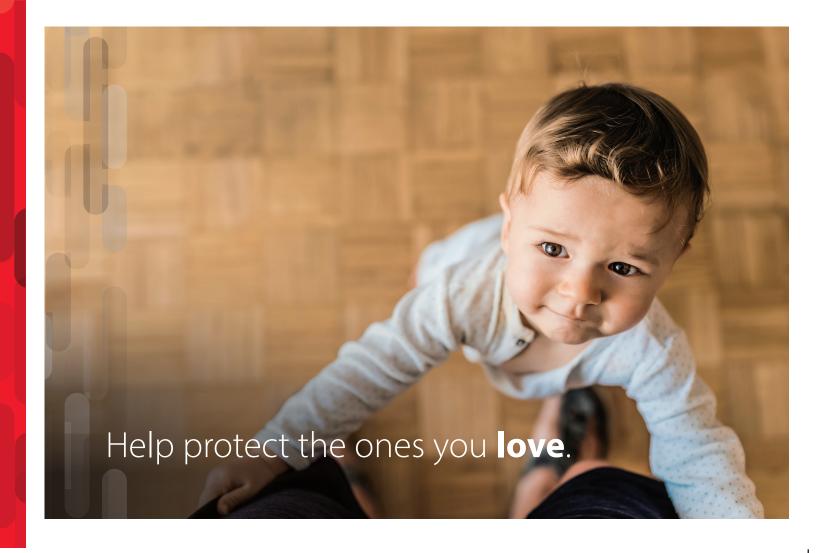

Would you like to gain tax savings when paying for medical or dependent care costs? With a Section 125 Plan, your money can be taken from your paycheck pre-tax and used for eligible costs. And since your money is taken out pre-tax, it reduces your taxable income, and allows you to take home more money in each paycheck.

### How Does it Work?

Look at the example below. Jane makes \$4,000 per paycheck and is paid monthly. Under a Section 125 Plan, she would save \$82.96 a month. That's a savings of \$995.52 a year. To calculate your possible savings, visit <u>americanfidelity.com/s125-calculator</u>

Earnings & Hours  Gross Pay  Health Insurance  Health FSA Contribution	Without 125 \$4,000 -\$300 <i>N/A</i>	With 125 \$4,000 -\$300 -\$300	A savings
Taxable Income Taxes (Federal & State @ 20%) Less Estimated FICA (7.65%) Out-of Pocket Medical Expenses	<b>\$3,700</b> -\$740 -\$283.05 -\$300	<b>\$3,400</b> -\$680 -\$260.10 <i>N/A</i>	of <b>\$995</b> .52 a year
Take Home Pay	\$2,376.95	\$2,459.90	

Where allowable by law. If you are subject to FICA taxes, there might be a reduction in your social security benefit due to the reduction of FICA contributions. Example is hypothetical for illustrative purposes only. Please consult your tax advisor for actual tax savings.
