FEDERAL WORKSTUDY OVERVIEW

The Federal Work Study (FWS) program provides funds to pay for a need based part-time employment. Awards are based on available federal funding, student eligibility, and enrollment status. Students must complete a Free Application for Federal Student Aid (FAFSA) available each year after October 1st.

Students that complete a FAFSA, receive an award notification from the financial aid office, this will have FWS program awarded, but the Financial Aid staff will still need to check the students’ Academic Standing (SAP) and other requirements before a federal work study job can be approved.

WORK STUDY POSITION ALLOCATION BY DEPARTMENT

For the 2021-2022 academic year we have approximately 55 FWS student positions available to fill. Each year in July, the Financial Aid Staff will review the College’s organizational chart to ensure that all departments are considered for allocation. An e-mail notice will be sent to all Managers to determine if they want to accept/decline the FWS position/s Allocation.

Priority is given to departments/areas that help to meet the federal mandate of 7% of all positions must provide community/public service or tutoring. FWS positions will not be considered for allocation to departments/areas that are grant funded as most grants provide for staffing. The allocations are provided to help the district save money by offering FWS positions.

DEPARTMENT RESPONSIBILITIES
The Department is responsible for the following:

- FWS awards are to be monitored on a monthly basis and should never exceed the amount assigned. Each student is assigned FWS funds based on their financial aid eligibility and unmet need. Each supervisor will be responsible for keeping track of their student's award funds. The supervisor may email Clara Moreno to see if the student is eligible for additional FWS funds, at least one month prior to the student balance being exhausted. If additional FWS funds are still available, the supervisor will be notified, and a copy of the FWS Employment Authorization form with the revised award will be sent to HR.

Once the student’s FWS award balance is zero, your student employee is no longer eligible to work. If you work a student with no allocation, the department's budget will be charged the over expended amount.

- Provide individual training to each student worker. Keep in mind, this job may very well be the student’s first job. Given written as well as oral instructions so the student will have something to refer to. Duties of student workers must relate to college activities and scheduled hours should be no more than required to accomplish job tasks. Homework is not a suitable substitution for work.

- Supervision of FWS Students must be at all times.

- Remember, the focus of all student employment programs is to assist students financially as well as to provide students with meaningful training and skill-building opportunities. The duties involved should be limited to basic responsibilities. They are not to do the work of CSEA or L39 employees.

Timesheets must be signed by student and certified by their supervisor or manager, in accordance with the College’s Payroll Schedule. Original timesheets must be retained for at least 3 years. At the end of the year for audit purposes, we may need you to produce the timesheet.

- If at any time a student stops working for any reason, the supervisor must notify Clara immediately by email. Please do not assume that you can rehire another student in their place. Must contact Clara before you begin the hiring process again.
