TB TEST INFORMATION

The authorization letter (on reverse) from the Human Resources Office must be presented at the time of testing or you will be charged for the testing.

You are responsible for having the TB test performed and for submitting the results to your hiring department within 10 days of employment.

Your TB test must be renewed every four years.

Please make certain you return to the testing site within the time prescribed. Failure to do so will result in having a second skin test administered at your own, non-reimbursed expense.
