#### **SAMPLE DUTIES AND RESPONSIBILITIES:**

1. Increase the awareness of the standards and expectations of program planning and assessment in the accrediting process at the college.
2. Keep abreast of developments in the field and actively disseminate this knowledge to faculty and staff as needed.
3. Assist faculty, staff, and administrators to align program planning with student learning outcome assessment, service area outcome assessment, and student achievement outcome assessment. Assist the Office of Institutional Planning, Research, and Effectiveness in providing data for program planning and assessment.
4. Ensure that PPA activities and reports are fully integrated into institutional planning efforts.
5. Provide educational and training activities pertaining to program planning and assessment, including training in PPA software, for faculty and staff.
6. Work in collaboration with administrators to provide leadership to faculty and staff toward ensuring completion of PPA reports that includes closing the loop on PPA activities.
7. Work in collaboration with the Vice President of Academic Affairs, Director of Institutional Research, or other designated area administrator to generate an end-of-cycle status analysis of and report on PPA activities and, if necessary, facilitate improvements in and adjustments to the program planning and assessment effort.
8. Attend Program Planning Outcomes & Assessment (PPO&A) Committee Meetings as needed.
9. Attend Advisory Research Group Meetings as a permanent member.

#### **DELIVERABLES EXPECTED:**

1. Regular status reports on progress made in the PPA cycle.
2. Workshop/activity/training materials (developed with collaborators).
3. PPA software training for faculty and staff.

**DESIRED QUALIFICATIONS AND KNOWLEDGE:**

1. Experience in planning and coordinating college-related activities.
2. Good organizational skills and a demonstrated ability to plan and follow through on projects.
3. Strong written and oral communication skills.
4. Demonstrated knowledge of PPA reports and the overall PPA process.
5. Proficiency in using data tools and analyzing data.
6. Ability to use relevant software.
7. Knowledge of accreditation standards pertaining to program review.

**TERMS OF APPOINTMENT:**

1. The term of assignment will be two academic years. Continuation in assignment from one semester to the next will be dependent on the demonstration of satisfactory performance and progress.
2. Assignment will commence Fall semester 2023 and will end at the end of Spring 2025 semester. Time commitment is expected to be at least 8 to 10 hours per week.
3. Compensation will be a stipend of \$7,000 per semester.
4. Monthly time and effort reports are required to be submitted to and discussed with supervisor.

**APPLICATION PROCEDURE:**
