The following should provide you with helpful information for completing your employment process.

A REMINDER

You are employed in a temporary position normally not subject to mandatory membership in the California State Teachers' Retirement System (STRS). You must elect or decline voluntary membership in the STRS retirement system by completing this form. If you elect STRS membership, your membership election is irrevocable for all future employment in a STRS covered position; if you do not elect STRS membership, the only optional retirement program currently available to you through this District is Social Security.

Read and complete all information in "Employee Certification" box (including electing or declining membership), sign and date form. Your signature also acknowledges that you have received information from us concerning the CalSTRS Defined Benefit Program (DB Program) and understand the criteria for membership in the plan. Form W-4 (2019)

Future developments. For the latest information about any future developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. You may claim exemption from withholding for 2019 if **both** of the following apply.

- For 2018 you had a right to a refund of **all** federal income tax withheld because you had **no** tax liability, **and**
- For 2019 you expect a refund of **all** federal income tax withheld because you expect to have **no** tax liability.

If you're exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2019 expires February 17, 2020. See Pub. 505, Tax Withholding and Estimated Tax, to learn more about whether you qualify for exemption from withholding.

General Instructions

If you aren't exempt, follow the rest of these instructions to determine the number of withholding allowances you should claim for withholding for 2019 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at www.irs.gov/W4App to determine your tax withholding more accurately. Consider

using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job, or a large amount of nonwage income not subject to withholding outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you're having withheld compares to your projected total tax for 2019. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Filers with multiple jobs or working spouses. If you have more than one job at a time, or if you're married filing jointly and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

Nonwage income. If you have a large amount of nonwage income not subject to withholding, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Additional Income Worksheet on page 3 or the calculator at www.irs.gov/W4App to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at www.irs.gov/W4App to find out if you should adjust your withholding on Form W-4 or W-4P.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Personal Allowances Worksheet

Complete this worksheet on page 3 first to determine the number of withholding allowances to claim.

Line C. Head of household please note: Generally, you may claim head of household filing status on your tax return only if you're unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. See Pub. 501 for more information about filing status.

Line E. Child tax credit. When you file your tax return, you may be eligible to claim a child tax credit for each of your eligible children. To qualify, the child must be under age 17 as of December 31, must be your dependent who lives with you for more than half the year, and must have a valid social security number. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

Line F. Credit for other dependents. When you file your tax return, you may be eligible to claim a credit for other dependents for whom a child tax credit can't be claimed, such as a qualifying child who doesn't meet the age or social security number requirement for the child tax credit, or a qualifying relative. To learn more about this credit, see Pub. 972. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total

income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

Line G. Other credits. You may be able to reduce the tax withheld from your paycheck if you expect to claim other tax credits, such as tax credits for education (see Pub. 970). If you do so, your paycheck will be larger, but the amount of any refund that you receive when you file your tax return will be smaller. Follow the instructions for Worksheet 1-6 in Pub. 505 if you want to reduce your withholding to take these credits into account. Enter “-0-” on lines E and F if you use Worksheet 1-6.

Deductions, Adjustments, and Additional Income Worksheet

Complete this worksheet to determine if you're able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you do so, your refund at the end of the year will be smaller, but your paycheck will be larger. You're not required to complete this worksheet or reduce your withholding if you don't wish to do so.

You can also use this worksheet to figure out how much to increase the tax withheld from your paycheck if you have a large amount of nonwage income not subject to withholding, such as interest or dividends.

Another option is to take these items into account and make your withholding more accurate by using the calculator at www.irs.gov/W4App. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Two-Earners/Multiple Jobs Worksheet

Complete this worksheet if you have more than one job at a time or are married filing jointly and have a working spouse. If you

don't complete this worksheet, you might have too little tax withheld. If so, you will owe tax when you file your tax return and might be subject to a penalty.

Figure the total number of allowances you're entitled to claim and any additional amount of tax to withhold on all jobs using worksheets from only one Form W-4. Claim all allowances on the W-4 that you or your spouse file for the highest paying job in your family and claim zero allowances on Forms W-4 filed for all other jobs. For example, if you earn \$60,000 per year and your spouse earns \$20,000, you should complete the worksheets to determine what to enter on lines 5 and 6 of your Form W-4, and your spouse should enter zero (“-0-”) on lines 5 and 6 of his or her Form W-4. See Pub. 505 for details.

Another option is to use the calculator at www.irs.gov/W4App to make your withholding more accurate.

Tip: If you have a working spouse and your incomes are similar, you can check the “Married, but withhold at higher Single rate” box instead of using this worksheet. If you choose this option, then each spouse should fill out the Personal Allowances Worksheet and check the “Married, but withhold at higher Single rate” box on Form W-4, but only one spouse should claim any allowances for credits or fill out the Deductions, Adjustments, and Additional Income Worksheet.

Instructions for Employer

Employees, do not complete box 8, 9, or 10. Your employer will complete these boxes if necessary.

New hire reporting. Employers are required by law to report new employees to a designated State Directory of New Hires. Employers may use Form W-4, boxes 8, 9,

and 10 to comply with the new hire reporting requirement for a newly hired employee. A newly hired employee is an employee who hasn't previously been employed by the employer, or who was previously employed by the employer but has been separated from such prior employment for at least 60 consecutive days. Employers should contact the appropriate State Directory of New Hires to find out how to submit a copy of the completed Form W-4. For information and links to each designated State Directory of New Hires (including for U.S. territories), go to www.acf.hhs.gov/css/employers.

If an employer is sending a copy of Form W-4 to a designated State Directory of New Hires to comply with the new hire reporting requirement for a newly hired employee, complete boxes 8, 9, and 10 as follows.

Box 8. Enter the employer's name and address. If the employer is sending a copy of this form to a State Directory of New Hires, enter the address where child support agencies should send income withholding orders.

Box 9. If the employer is sending a copy of this form to a State Directory of New Hires, enter the employee's first date of employment, which is the date services for payment were first performed by the employee. If the employer rehired the employee after the employee had been separated from the employer's service for at least 60 days, enter the rehire date.

Box 10. Enter the employer's employer identification number (EIN).

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name _____ Employee ID# _____

Employer Name _____ Employer ID# _____

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.

workers' compensation: Pre-Designation of Personal Physician

If you have health insurance and are injured on the job, you have the right to be treated immediately by your personal physician (M.D., D.O), or medical group, if you notify your employer, in writing, prior to the injury.

Per Labor Code 4600, to qualify as your pre-designated, personal physician, the physician must agree in writing to treat you for a work related injury, must have previously directed your medical care, and must retain your medical history and records. The physician must be a family practitioner, general practitioner, board certified or board eligible internist, obstetrician-gynecologist, or pediatrician. Your "personal physician" may be a medical group if it is a single corporation or partnership composed of licensed doctors of medicine or osteopathy which operates an integrated multi-specialty medical group providing comprehensive medical services predominantly for non-occupational illnesses and injuries.

This is an optional form that can be used to notify your employer of your personal physician. You may choose to use another form, as long as you notify your employer in writing prior to being injured on the job, and provide written verification that your personal physician meets the above requirements and agrees to be pre-designated.

If you do not provide advance written notification, verification, and agreement of your pre-designated personal physician, you will be treated by one of the District's designated workers' compensation medical providers.
