**ARTICLE 9 – SECTION 10 – TUITION WAIVER**

There is a tuition waiver program for bargaining unit members who take classes at Hartnell College. Employees may not sign up for, or request a waiver for tuition of, any classes that occur during the employee’s normal work day, without first obtaining the permission of their supervisor, and having worked out an acceptable alternate work schedule for that semester. The alternate schedule will be reduced to writing, signed by the employee and supervisor, and placed in the employee’s personnel file.

Employees who leave District employment within one year of receiving the waiver will reimburse the District for the amount of the waiver received.
