REPORT OUT FROM CLOSED SESSION

Trustee Donohue reported out a motion by Trustee Rice, seconded by Trustee Martinez to approve a Memorandum of Understanding with the Hartnell College Faculty Association regarding Dr. Hetty Yelland.

PUBLIC COMMENTS ON OPEN SESSION ITEMS

The following individuals made public comments urging the Board not to approve the delay in admission of students to the Animal Health Technology Program (AHT) while the program was under review:

Sharon Radel, Director, Faculty
Cindy D. Finney, Student
Diane Blokker, Community Member
Linda Neely, Community Member
Cynthia Cruz-Acevedo, Student
Erin Jones, Student
Carol Kimbrough, Faculty
Karen Ivey, Monterey County 4-H
Frank Kosher, Monterey Bay Veterinary Association

Trustee Donohue called for a point of order and asked Dr. Helm to comment about what the review process involves and the reason for the delay of admissions. Dr. Helm explained the Board approved the Discontinuance Process in 2001. Although titled discontinuance, the process is actually a program review process. Dr. Helm identified the criteria under which a program would undergo this process. In the case of AHT, the point of the review is to make a recommendation to the Board. The issue is, if the college accepts new students and they are continuously enrolled, the college is obligated to see them through the program for the next two years. Approving the delay does not change the application date of May 1st; it simply delays the college’s response to the applicants. Ideally, the review would be completed by June. The process could start as early as tomorrow, and requires the Academic Senate to appoint faculty to the review.

Bond Oversight Committee

Damon Felice, Felice Consulting Services, presented a design of the Northeast landscape project. In addition, he gave an update on the college’s current construction projects. The full report can be found at: http://www.hartnell.edu/board/packets/BP_04_14_2009.pdf.
BOARD DEVELOPMENT

Review of Board Policies

As defined in their development plan, and at their regular meetings, the Board will review, discuss, and revise Board Policies, as necessary. This not only provides an opportunity for the Board to revisit these policies for currency and accuracy, but also provides the public an opportunity to become familiar with board policy.

The Board reviewed Board Policies 3155 through 3195. Suggested changes were submitted to the Board and Trustee Donohue asked the Board to review the changes before the May meeting, at which time, the Board will review the first reading.

BOARD’S GOALS FOR THE COLLEGE

Accreditation: Dr. Helm reported the site visit is scheduled on April 21-22, 2009. She reminded the Board that this visit is critical because the college needs to have fully resolved all of the recommendations and accreditation commission concerns.

Finances Dr. Helm reported that State Revenues continue to fall below budget projections in three major areas: 1) the proposed addition to the gas tax, which accounted for 12% of the additional revenue growth; 2) sales tax; and, 3) property tax. Additionally, if the measures slated for the May 19 special election, including the sale of a portion of the lottery, do not pass the revenue stream will further worsen. Therefore, she has recommended to the finance committee that they reduce the revenue projections for 2009-2010 by $2.3 - $2.4 million with a comparable cut in expenses to avoid the reserves dropping below the 3% level required by the state. And, while the college has the highest FTES (unaudited) in its history, there is no assurance that we will be paid at a 100% rate. As of now it appears that the college has enough cash to make it through June 30, 2009 without borrowing, despite the delay in the state’s reimbursement. However, a TRAN is included in the agenda tonight to authorize borrowing for next year.

CONSENT ACTION ITEMS

Further discussion and/or separate vote: Pulled for further discussion and/or separate vote were Consent Action Items: A (Freeman), K (Freeman and Montemayor), L (Freeman) and M (Martinez)
