PRESENTATIONS
Respiratory Care Practitioner Program
The board received an update on the provisional accreditation for Associate Degree Respiratory Degree program by Debra Kaczmar, Dean of Nursing and Allied Health. On July 9, 2013, Respiratory Care Practitioner Program was granted Provisional Accreditation by the Commission on Accreditation for Respiratory Care (CoARC). Hartnell College is allowed to admit its first class of 20 students in fall 2013. Provisional Status allows students to take the National Board of Respiratory Care credentialing examination upon graduation. Provisional status is expected for three years. Ms. Kaczmar thanked everyone for their efforts. The board congratulated Ms. Kaczmar and her staff for their accomplishment.

Foundation Funding Plan
The board received a report on the Hartnell College Foundation Funding Plan by Executive Director, Jackie Cruz. At the end of 2012, the Foundation launched a President's Task Force. This group was comprised of 43 members representing the community and campus leadership. They oversaw a college-wide needs assessment that identified key initiatives appropriate for private support and the creation of a new 5-year funding plan. The result of the Task Force’s work is a strategic plan for the Hartnell College Foundation that will address important higher education needs throughout the Salinas Valley. The top initiatives were summarized by Jackie. Jackie credited the board, Superintendent/President Lewallen, faculty, staff, and the many volunteers who support the work of her office. The board commended Jackie for her presentation and for making a difference in so many of our students’ lives.

He reported that each community college district is required to submit an Annual CCFS 320 report to the Chancellor’s Office by July 15th each year per Title 5 Section 58003.4. The District’s apportionment funding is calculated from the CCFS-320 report which takes the credit and non-credit FTES and calculates the annual funding based on the Chancellor’s Office predetermined per FTES funding levels. The report submitted to the Chancellor’s Office and documents provided to the board are posted online: http://www.hartnell.edu/board/packets/080613.pdf (page 13).
