PUBLIC HEARING
Mission Trails Regional Occupational Program

Educational Code Section 52302 (b) (1) states that no later than June 30, 2009, all governing boards of Regional Occupational Centers of Programs (ROCP) are required to develop a plan for establishing sequences of state-funded courses, in which both the ROCP and community college offer instruction. Furthermore, AB 2448 stipulated that 90% of a ROCP’s courses must be sequenced with one or more area community colleges in pathways in which both offer courses.

Mr. Randy Bangs, Director, Salinas Union High School District, Missions Trails Regional Occupational Program presented the course sequencing plan and described the steps taken with staff and faculty from the college to develop the plan. The plan and power point presented in writing to the Board by Mr. Bangs can be found at:
http://www.hartnell.edu/board/packets/Presentation_Course_Sequencing_Plan.pdf

Mr. Bangs presented Ms. Molly Lewis, with a certificate of appreciation for her work with the program, in particular, her work with the middle and high school community.

Dr. Pando, Interim Associate Vice President, Career and Economic Development, stated the college is fortunate to have Mr. Bangs working with the college; that Mr. Bangs is always working to the benefit of all students.

PUBLIC COMMENTS

Karen Ivy, Student, expressed concern about the discontinuance process used for the Animal Health Technology (AHT) Program stating she believed it to be corrupt, that the director of the program, students, and general public did not have the opportunity to provide their input, and that the committee used data that was out-dated.

Gary Tiscornia, Executive Director, SPCA, spoke in support of the AHT Program. He stated the SPCA has helped house the program in previous years and offered to help in order to continue the program because he believed it to be important to the community.

Brianne Schenbaum, high school student, spoke in support of the AHT program, stating that the program is important to her and to the community.

Erin Jones, 1st year AHT student, stated the AHT program has more graduates than other college programs and questioned why this program was under review.

Rob Medrano, student, wanted to find out why the labs were closing and why cuts were being made to the DSP&S/EOPs program and asked that the programs remain intact.

Millicent Madrigal, Counselor, provided a brief summary of the services provided by EOPs, and urged the Board to support EOPs when considering budget cuts.

Dr. Helm stated the 60% cut to categorical funds is a recommendation made by the State and not the college.
David Serena addressed the Board on its recent policy on graduation stoles stating the administration should not deny students from wearing cultural stoles. Dr. Greg Peterson affirmed that this would not happen.

PRESENTATIONS

Bond Oversight Committee

Damon Felice, Felice Consulting Services gave an update on the college’s current construction projects. The full report and floor plan as developed with the science faculty and staff can be found at: http://www.hartnell.edu/board/packets/June_2009_BOARD_Packet.pdf.

Trustee Healy asked if the land swap affected the Alisal Campus construction plan and Mr. Felice explained the land swap is outside the scope of the building.

Trustee Martinez expressed, while he appreciates the work staff has done, he continues to have concerns regarding the process and receiving documents the same evening the Board is to consider approval (Consent Items H. and I.) and that, he believes, the planning of facilities is being done without Board input.

Trustee Donohue called for a point of order and Dr. Helm suggested to the Board to postpone the five-year plan and final project proposal for the science building (Consent Items H. and I.) to the special meeting of June 8. Dr. Helm stated the submittal of the final project proposal on the science building to the Chancellors Office puts the college in line to receive State match funding on bond construction projects. That match is dependent upon meeting the submitted deadline. She thanked faculty and staff for the eight or so days they spent visiting programs and working with architects.

CONSENT ACTION ITEMS

Items pulled for separate vote:

Freeman – Item B
Martinez – Items C, N
Montemayor – Item D

On a motion by Trustee Healy, seconded by Trustee Gonzalez-Castro, vote of 4-2 (Freeman, Martinez), and advisory vote of Aye (Cortes), the Board moved to table Consent Action Items H., Approve the submittal of the Science Building Final Project Proposal, and I., Approve the Submittal of the 2011-2015 Five-Year Capital Construction Plan to the Special Meeting of June 8, 2009.

On a motion by Trustee Healy, seconded by Trustee Gonzalez-Castro, vote of 6-0 and advisory vote of Aye (Cortes), the Board approved Consent Action Items A, E, F, G, J., K., L, and M.

A. MINUTES

Approved the Minutes of May 5, 2009 as presented.
B. DISBURSEMENTS

Trustee Freeman asked, if at all possible, the disbursements include the source of funding and rationale for expenditure. Dr. Helm responded she would speak to staff about how this could be done. Also, Trustee Freeman asked if the font size could be larger on the financial statements.

On a motion by Trustee Healy, seconded by Gonzalez-Castro, vote of 5-0-1 (Martinez), and advisory vote of Aye (Castro), the Board ratified disbursements from any or all of the following funds: general; debt service; bookstore; child development; capital outlay projects; scheduled maintenance; property acquisition; bond projects; cafeteria; self-insurance; retirees health benefits; associated student body; scholarship, loan, and trust; and intercollegiate athletics.

C. CURRICULUM COMMITTEE ACTIONS

Trustee Martinez indicated that the course revisions submitted for approval do not show the revisions and that he wants to know what the course revisions include. At the May meeting, Trustee Martinez expressed the same concern, and Dr. Helm stated, if possible, she would work to provide Board members with a link to access course revisions on line, and is included in this board’s packet. A link has been created and is available on the college’s website. Also, Dr. Helm reminded the Board that curriculum is one of the academic and professional matters wherein the Board must, in compliance with AB 1725, rely primarily on the academic senate.

A motion was made by Trustee Gonzalez-Castro, seconded by Trustee Healy, vote of 3-3 (Freeman, Martinez, Montemayor), and advisory vote of Aye (Cortes), to ratify Curriculum Committee actions, but failed.

Members of the Board asked the implications of not ratifying curriculum. Dr. Helm suggested that perhaps Aurora Mendez, Spanish faculty, who was in the audience, could address revisions made to the Spanish curriculum. Ms. Mendez was able to satisfy Mr. Martinez’s concern and by motion of Trustee Gonzalez-Castro, seconded by Trustee Healy, vote of 6-0, and advisory vote of Aye (Castro), the Board ratified the recommendations of the Curriculum Committee.

D. REVISED BOARD POLICIES

Trustee Montemayor asked for further clarification on the revisions to policies 3170 and 3195 to which Dr. Helm responded.

N. PERSONNEL ACTIONS
Trustee Montemayor asked about the layoff of classified employees and asked if the layoffs have gone through the C.S.E.A. union’s process. Trustee Martinez asked if the college has made plans to continue services for the high school equivalency program. Dr. Helm responded that the college is doing
what it can pending federal funding. Also, Mr. Martinez asked for further clarification on substitute employee positions and questioned why the Board was being asked to approve eight (8) of the same classification. Dr. Helm responded that these employees are being hired under grant funds (CCRA/Title V) to develop projects to improve student learning and that she is glad that eight faculty are participating.

**A. TENTATIVE BUDGET**

This item was postponed to the Special Meeting of the Board of Trustees, June 8, 2009, 5:00 p.m., Hartnell College Board Room, CAB 112.

**B. BUDGET REVISIONS**

On a motion by Trustee Gonzalez-Castro, seconded by Trustee Healy, roll-call vote of 6-0, and advisory vote of Aye (Cortes), the Board approved budget revisions numbered 8264 to 8329.

**D. ADOPTED RESOLUTION 09:15**

**F. APPROVE AMENDMENT TO RESOLUTION 09:6 AND RESOLUTION 09:7**

**INFORMATION ITEMS**

**FINANCIAL STATEMENTS**

The Board received the Financial Statements for period ending April 30, 2009.

**PROPERTY TAX SHORT FALL ESTIMATES**

The Board received an estimate of how the shortfall of property taxes is going to affect the college (see Appendix D). Hartnell College has been noticed of a loss of property tax revenue of $260,563 for 2008-09 and $722,272 for 2009-2010. It could be worse if property tax revenues continue to decline.
The Board received the submittal of the Health Science Building Initial Project Proposal.

There were no senate reports.

Dr. Helm reported the following:

**Budget:**
- The revenue generating measures set forth in the special election, May 19, 2009, failed and as a result, the State General Fund is down 20%.
- State budget cuts created a $4.9 million gap in the general fund and a $2.6 million reduction in the Categorical (state restricted) Funds for 2009-2010.
- The impact on Hartnell’s budget is compounded by two things:
  a. The college closed a $3.0 million funding gap last year by reducing administration 30%, reducing section offerings, and increasing average class size
  b. The state’s reduction of the 2008-2009 budget by $1.9 million

By reducing the reserves from 7.3% to 3.0%, the college can reduce the $4.9 million gap for 2009-2010 to $3.3 million in the General fund. That means that the college must cut the General Fund $3.3 million and the Categorical Fund $2.6 million.

**Research:**
Two researchers from UCLA, Gary Orfield and Patricia Gandara, spent two days last week visiting with Hartnell faculty and staff, as well as some high school counselors. They have been studying data from the Chancellors Office to determine which community colleges have successfully prepared minority students from low performing high schools (defined as low income and low educational attainment of the parents) for transfer to UC and CSU. They identified students in a three year period and then tracked them for six subsequent years. Five colleges in California were identified as doing well – San Diego (Mesa and City), LA Trade Tech, Santa Monica and Hartnell. Interestingly none of the colleges were successful with more than one minority and Hartnell was far ahead of any of the colleges with regard to Latino students in this study.

So, despite the bleak budget news, we do have much to celebrate, including the largest graduating class in the history of the college.

Trustee Healy reported that the United Way performed their annual audit and review of facilities, and as a result will continue to support the Sunrise House.

Trustee Freeman stated that he was proud of the students who were in attendance this evening; that he doesn’t plan on voting on any cuts in student services; he questioned why the Board was not given information on the animal health technology program; that he has requested over one month ago,
a meeting regarding the learning labs; and that he has known Gary Shaw for more than 20 years, retired track and field coach, and feels the track should be named after him.

Trustee Cortes said he was pleased finals were over and that he is glad that he was re-elected for 2009 as Student Trustee and Student Senate President.

Trustee Montemayor reminded everyone of the Homeowner’s Project (free foreclosure counseling), scheduled on June 6, 2009, 10 a.m. – 4:00 p.m., Dining Hall.

Trustee Gonzalez-Castro reported The Western Stage Gala is being coordinated and will feature the play, *A Baker’s Wife*. Also, she apologized for having missed the Digital Bridge Academy student presentations, but that she was able to attend the poetry readings held later that same evening.

Trustee Martinez reported he recently attended a food safety training sponsored by the Ag-Business and Technology Institute and thanked everyone involved; he asked that a presentation on The Western Stage be made to the Board; that the naming of facilities should have equal consideration of all; and that the Animal Health Technology comments this evening provide him reason to ask questions – although he understands that programs need to be looked at and that the decisions the Board will make won’t be easy.

Trustee Donohue reported she attend the Digital Bridge Academy student presentations and thanked the faculty for all of their hard work. She announced the week’s events such as the board’s reception before graduation (Thursday at 5 p.m.), graduation (Thursday at 7 p.m.), and high school equivalency recognition ceremony (Friday at 7 p.m.), and special board meetings (June 6 at noon and June 8, 5:00 p.m.).

**FUTURE AGENDA ITEMS**

Trustee Healy requested two future items: 1) Dr. Helm to investigate change or restructure purchasing policies to buy local; and 2) that the Board entertain the idea of relinquishing their benefits back to the general funds at the special meeting of June 8, 2009.

Trustee Donohue requested an item to reschedule the regular meeting of August 4, 2009 to August 11, 2009 at the special meeting of June 8, 2009.

**RECESS TO RECONVENE CLOSED SESSION**

The Board of Trustees of Hartnell Community College District, legal counsel, Eileen O’Hare-Anderson, Terri Pyer, Interim Human Resources Director, and Superintendent/President, Dr. Phoebe K. Helm reconvened closed session at 8:58 p.m. to consider legal, personnel, labor, and/or contract matters authorized for Closed Session per Government Code Sections, 3549.1, 54956.9, 54957 and/or 54957.6.

**RECONVENED OPEN SESSION**

Trustee Donohue reconvened the meeting at 9:19 p.m.
REPORT OUT FROM CLOSED SESSION

Trustee Donohue reported the Board approved to purchase land with bond funds in the amount of $250,000 and that the personnel matter for disciplinary action was continued to June 8, 2009.

ADJOURNMENT

The meeting adjourned at 9:20 p.m.

NEXT MEETING

The Board has scheduled two additional meetings 1) Board Workshop on Goal Setting and Budget for Saturday, June 6, 12-5 p.m., College Library; and 2) June 8, 2009, 5 p.m., Board Room (CAB 112).

The next regular Board of Trustees Meeting is scheduled on July 7, 2009, 5:00 p.m., Hartnell College, CAB112, Board Room.

Sleepless Dreams

Forests of dark highlights
Fill the periphery
As a stress-induced sleepless night
Brings troubled thoughts just close enough to miss

The trees form bars of light and dark
To cage the soul in infinite space
Bound by your own impotent will
As fighting fate leaves an exhausted trail of crushed roses

Hidden memories vie for attention
Amidst the storm of life, love, loss
Flitting through the shadows of thought
A taunting reminder of things forgotten

The pain of everyday
Flows silent and unnoticed
Along the souls forest paths
Winding each branch in choking vines of words unsaid
The Swan

elegant
full of grace
wonderful is the
sight
here
now
as it
glides
near by
Swimming smoothly under a sun setting sky.
Vigilant, I gaze at this gentle creature’s snowy white feathers
delicate wings drawn out wide as if to greet my presence
Feeling welcomed I sit still to witness its full serenity
As it settles in place on this quiet gleaming lake.
Precious and graceful is this swan I see
Now resting—an endless tranquility.
I have become fond of this splendid swan only never to forget, its true beauty.
